

SAFE YARD PROMISE

At Pooperly, your family's safety comes first. That's why every yard treatment we provide is

-  **Pet-Safe** – Our sanitizers and deodorizers are specially chosen to be gentle on paws, fur, and noses once dry.
-  **Child-Safe** – Kids can get back to enjoying the yard worry-free after treatment.
-  **Eco-Friendly** – We use biodegradable, non-toxic solutions that are tough on germs and odors, but kind to grass, plants, and the environment.
-  **Scientifically Effective** – Our treatments eliminate harmful bacteria, viruses, and parasites (like E. coli, Giardia, and Parvo) while neutralizing odors at the source.
-  **With Pooperly, you get a clean, fresh, and safe yard—without harsh chemicals or lingering risks.**
