### GRIEVANCE PROCEDURE

Varsity VBC takes pride in keeping the lines of communication as open as possible between our director, coaches, volunteers, players and parents. We hope that our grievance procedure as outlined below will be able to resolve any concerns that may arise before, during, and after our club season. The goal is to ensure that all parties receive equal attention and that each situation reaches a mutual understanding and resolution.

**STEP 1:** Please contact your players coach via email (preferred) or by phone *after a cooling off period of 24 hours.*

**STEP 2:** The coach will review the concern and contact the contacting party for follow-up. Every attempt will be made to resolve the issue at this level.

**STEP 3:** If the contacting party feels the issue has not been resolved, the next step is to take the matter to the Club Director, Julissa Jones. If needed, a non-biased third party may be brought in to help resolve the matter.
