The event helps to raise money to support The Mary Claire Foundation's mission to provide support for families coping with child loss. While it is hard to believe, there is no center in the Pittsburgh area where grieving parents can receive support services that address their emotional, physical, and psychological well-being. The Mary Claire Foundation aims to change that—and we can do it with your help!

The Mary Claire Foundation is named in honor of Mary Claire Friedl, who passed away in 2017 after a brief illness. Mary gave the ultimate gift of life by becoming an organ donor.
