Find the Perfect Home You Love

Search for a home currently listed for sale. We will assist you with searching for the perfect home for your family. We will show you the rents and purchase prices upfront, so there are no surprises (homes must meet our property guidelines).

We Buy Your Chosen Home

We will make a cash offer on the home of your choice. If successful, you will sign a 1-year lease and get ready to move in. After we close on the home, we will be your landlord and you will be our tenant until you decide to vacate or purchase the home from us.

Rent & Decide

Enjoy your new home with the peace of mind of 5 years of guaranteed rent, one year at a time. You can buy your home from us at any point. At the end of any lease term, you can renew for another year, or simply walk away with no penalties or costs.
