

This is a guide to help agents better understand whether homes fit into the Home Partners of America Program. We believe quality homes in affordable communities increase our residents' likelihood of success with the program. Our program also considers a home's potential for leasing and resale in the event our residents move out. Please help us achieve our objectives by reviewing this list of qualification criteria before visiting a home. It will save you time, too!

*Note that this is not a comprehensive list and criteria is subject to change. Homes listed on our website may be ineligible for the program, and Home Partners of America reserves the right to reject any property submittal for reasons other than those listed here.*

## LOCATION

- Properties must be located in a Home Partners approved community. Visit [homepartners.com/communities](http://homepartners.com/communities) for a complete list.
- Home Partners wants to purchase homes in neighborhood communities within close proximity to centers of activity.
- Home Partners will not purchase homes located within close proximity to commercial, industrial, mining or agricultural areas, high traffic roads, active railroad tracks, or airport flight paths.
- Home Partners will not purchase homes near structures that could impair value (e.g. high tension power lines, cell/water towers).
- Homes within a 100-year flood zone do not qualify except in Florida where a base flood elevation difference of -1.5 or higher is allowed.
- Homes must be located on paved roads.
- Home Partners will not consider homes in subdivisions or new construction phases that are less than 50% complete.

## PROPERTY TYPE

- Home Partners will not purchase short sale, foreclosure or probate properties, bank-owned properties, or any property sold at auction or by a government agency.
- Sellers must be willing to use the standard state contract and not require addenda aside from a builder warranty (Home Partners will use the Pulte Homes contract in certain markets - please inquire for more information).
- Relocation deals may be considered on a case-by-case basis due to their protracted closing process and their contract addenda.
- Home Partners cannot purchase condominiums, including single-family homes or townhomes that are condominium ownership.
- Home Partners cannot purchase commercial, modular homes, log cabins, mixed-use or manufactured housing properties.
- The property must be on two (2) acres or less. Please be aware that maintenance of all landscaping is a resident responsibility.
- Home Partners will not purchase homes that have seven bedrooms or more.

## HOMEOWNER ASSOCIATIONS (HOAs)

- Homes must be located in HOAs that allow leasing without requirements for background/credit checks or interviews. Home Partners will not purchase in HOAs that assume third-party beneficiary rights including the right to evict without notice.
- Home Partners will not purchase in age-restricted communities or in HOAs that require a social, tennis, golf or country club membership.
- HOA dues and transfer fees must be reasonable (please contact Home Partners with any questions).
