Hammeke mobile security trailer is a cost-effective alternative to other expensive surveillance trailers. The unit is self-contained and can be deployed almost anywhere in less than 10 minutes. The Sentry system puts live eyes on a problem location 24 hours a day without putting anyone in harm's way. Our trailers can be rented, bought plain, or equipped.

Hammeke Security Rental Program

Our advanced 1200 Watt solar charging power system offers the most reliable performance on the market. Our trailers can recover from a complete power drain to fully charged with just a day of sunlight providing an impressive 99.17% average uptime nationwide. We also offer an automatic standby generator in the event of battery loss with no sun long term. Our trailer may be plugged in to AC power as a 3rd option.
