NEXT MEETING ANNUAL PICNIC, June 18th

The 2016 annual OGG picnic will be held at noon on Saturday June 18, hosted by Liz Wood. Bring plants for ribbon judging. Our Plant Doctor Keith Nelson will be there at the re-potting table with some Orchidata so bring those plants that need re-potting along with a new pot.

Please bring a dish to pass, and your beverage of choice. There will be a few chairs and tables, but bring a chair if you have one. One small cooler with ice will be provided, but we could use an extra cooler and a few more tables. Feel free to invite family, and to enter your food choices on Signup Genius.

There's plenty of parking across the street from the house, and on Up-land, the cross street nearby, but there's no parking on my side of the street. Road work on the intersection two blocks South of the house makes coming from Mineral Point Road, instead of Regent Street a better option.

Hope to see you there!

--Liz

FROM THE PRESIDENT

Hello all Orchid fanatics,

I can not thank all of you enough for your great efforts in April and May on behalf of OGG. We had great results from our April sale at Olbrich, netting \$656.58. The April meeting silent auction netted \$137.00 and the May member auction proceeds were \$\$467.50 plus \$21 in donations for a grand total of \$1282.08! These funds support guild activities, Orchid Quest and away shows. We need more ideas which will bring in funds, so please let me know of any ideas you may have. No idea is a bad idea!

The candidate slate for the annual election passed with Nancy Thomas on the Board for three more years, Denise Baylis as Treasurer and me looking forward to another two years as

President.

We look forward to our annual picnic Saturday June 18th at noon at Liz Wood's home. At the picnic, there will be several trays of seedlings and mid-sized plants to re-pot and adopt. So bring any 4-5" pots you may want to use. Orchidata will be provided. Donations will be accepted for the Orchidata. The club will also have pots for sale. We will have repotting supplies available, so bring anything you wish to repot.

The picnic is a pot luck, so dust off those great recipes and bring something to share.

See you at the picnic!

--Lorraine Snyder

OLBRICH WORKSHOP Orchid Growing for Wimps

Thursday, September 8, 6:30-8 pm
Ellen Zachos, author of *Orchid Growing for Wimps*, will discuss the profiles of 16 easy-to-care for orchids, all of which can rebloom in average household conditions. She will also share basic care instructions and professional "tricks" to get the most out of each plant. Not all orchids are temperamental tropicals - many make low-maintenance, free-blooming houseplants. Limited space; register early.
