

ORCHID GROWERS GUILD

Presents

Orchid Quest 2024 Show Book

Hosted by
Olbrich Botanical Gardens
3330 Atwood Avenue
Madison, WI 53704

Orchid Quest 2024

Schedule of Events

Friday, February 2, 2024

Show Set-up	9:45 a.m. to 6:00 p.m.
Registration	10:00 a.m. to 5:00 p.m.

Saturday, February 3, 2024

Continental Breakfast at Olbrich Botanical Gardens	7 a.m. to 7:30 a.m. (Meeting Room)
Judging	7:45 a.m. to 10:00 a.m. (Atrium)
AOS Judging	10:00 a.m. (Meeting Room)
Open to the Public	10:00 a.m. to 4:00 p.m.
Judges' Luncheon	Noon (Meeting Room)
Principles of Orchid Growing by Dr. Ken Cameron	11:00 a.m. Education Rooms
Questions and Answers on Orchid Growing by Chuck Acker	Noon Education Rooms
Repotting Orchids Demonstration by Terri Jozwiak	1:00p.m. Education Rooms
Panel Discussion: Talk with Local Orchid Growers	2:00 p.m. Education Rooms

Sunday, February 4, 2024

Open to the Public	10:00 a.m. to 3:00 p.m.
Principles of Orchid Growing by Dr. Ken Cameron	11:00 am Education Rooms
Questions and Answers on Orchid Growing by Chuck Acker	Noon Education Rooms
Repotting Orchids Demonstration by Terri Jozwiak	1:00 pm Education Rooms
Show Take-down	3:00 p.m. to 7:00 p.m.

Orchid Growers' Guild Orchid Quest February 3-4, 2024

The Show

1. General Information

Orchid Quest 2024, sponsored by the Orchid Growers Guild, will be held at Olbrich Botanical Gardens, 3330 Atwood Avenue, Madison, WI, 53704 with public hours from 10:00 a.m. until 4:00 p.m. on Saturday, February 3, and from 10:00 a.m. until 3:00 p.m. on Sunday, February 4. Vendor area opens for sales at 10 a.m. both days.

2. Requests for Exhibition

Requests for exhibition space should be sent to Orchid Growers Guild (OGG, P.O. Box 5432, Madison, WI 53705). A reasonable effort will be made to provide the amount of space requested, but should space be less than expected, the Show Chairs reserve the right to limit space allocated to the exhibitor.

3. Exhibit Set-up and Take-down

Exhibitors may set up exhibits from 10:00 a.m. to 6:00 p.m. on Friday, February 2, 2024. Entries for judging will be accepted until 5:00 p.m. Subsequent entries may be exhibited but not judged. All entries whether or not entered for ribbon judging will be considered for A.O.S. judging unless otherwise marked by the exhibitor. All exhibits must be left in place until 3:00 p.m. on Sunday, February 4, 2024.

4. Show Judging

Show judging will begin promptly at 7:45 a.m. on Saturday, February 3, 2024.

5. Important Change in Show book

Due to venue limitations, we modified the types of exhibits accepted. We will not have room for Art entries and Orchids in use, **classes 114-120.**

JUDGING PROCEDURES

1. General information

This show has been approved for American Orchid Society (A.O.S.) judging and therefore must comply with the current rules of the American Orchid Society **Handbook on Judging and Exhibition** and any interim rules issued by the A.O.S. Judging Committee. At the show, there must be three or more judges accredited by the American Orchid Society (A.O.S.). The decisions of these judges will be final. The American Orchid Society system of judging will be used in all events. The show Schedule and orchid classification will follow the Mid-America Orchid Congress Guidelines **updated summer of 2020 as listed below**. All judges and clerks are expected to familiarize themselves with the show rules. All plants will be considered for recognition based on present quality, without regard to previous awards. To maintain highly competitive standards, no trophies or other recognition will be awarded if, in the judge's opinion, the flower, the plant or exhibit does not warrant such recognition. Judges may subdivide or add additional classes for awards at their discretion.

2. AOS Awards

This show has been approved for AOS judging. **All named flowers**, whether entered for ribbon judging or not, will be considered for AOS awards unless otherwise marked **NOT for AOS Judging** by the exhibitor. *If the flowers have previously been exhibited at an AOS approved function, they are considered to have been screened and therefore, are not eligible for further consideration. They should be marked, "Not for AOS judging."* This will not disqualify the flower from consideration in the proper ribbon or trophy class. Submission of plants for judging shall obligate the exhibitor to accept any award granted and to pay any fees connected with such an award except where he or she has clearly indicated before the judging that his entry is not to be AOS judged.

3. Ribbon Judging

First, second and third place ribbons may be awarded to the best three (3) entries in each class other than a trophy

class. Multiple ribbons may be awarded or withheld at the judges' discretion. All plants must be correctly entered in the appropriate class, or reclassified by a judge, to be eligible for ribbon judging. (It is the exhibitors' responsibility to properly enter their plants.) Judges may at their discretion, split up classes for ease of judging, thereby giving 2-3 first, 2-3 second, 2-3 third ribbons depending upon the division up to 3 sections of a class.

An Excel spreadsheet will be emailed to registrants and will be available on the OGG website (<http://www.orchidgowersguild.org/>) for entering items for judging requiring name of the plant including any clonal name, if assigned, and previous awards (hybrid parentage if possible), the judging class, and coded ownership of the plant or item. Exhibitors will enter their plants by providing an electronic version of the plant registration information by furnishing a memory stick with the Excel spread sheet registration information to the plant registration desk on Friday, February 2 by 3 p.m., modifications no later than 5 p.m. Computer generated judging show tags will be printed for all items entered for judging. After completing the registration of the material, the printed registration tag goes on the plant. A copy of the 2024 Orchid Quest Show book will be at the entry desk.

The OQ Show Rule book closely follows the Mid-America MAOC Show Schedule (<http://midamericanorchids.org/judging/>). All ribbons and Best of Class are at the discretion of the judges.

Where a plant could conceivably fit into more than one class, the exhibitor shall enter it into the first applicable class listed. A mericlone is considered a vegetative division of the original plant and must be treated as such. If a plant is a *mericlone*, it should be so designated, and the *clonal* name given. Species classes will include natural hybrids. Criteria employed in ribbon class definitions refer to characteristics prevailing for mature plants grown according to normal horticultural practices.

Plants can only be entered into **one** class, with the **exception of Class 112 Seedling blooming for the first time from classes 11-111 and Class 113, Specimen plant.**

The 2024 Orchid Quest Show Rule Book will be on the Web site www.orchidgrowersguild.org (*Orchid Quest tab*).

4. Trophy and Special Awards

All trophies (Best of Class Awards) and Special Awards are open to all exhibitors in this show, provided the exhibit is entered properly and show rules are complied with, unless otherwise specified in this schedule. **Best of Class**

Awards: A minimum of two first place ribbons must be given in the group of classes for a Best of Class Award to be given.

5. Plant trophies

In order to be eligible for any special awards, plants and exhibits must be entered for ribbon judging. No separate entry is required.

6. Exhibit trophies

Each exhibit may be entered in *ONE CLASS ONLY*. All exhibits must be entered through the computerized digital registration system of OQ. The printed registration tag goes on the exhibit. All exhibits are eligible for the AOS Show Trophy and will be judged in accordance to the criteria in the current *AOS Handbook on Judging and Exhibition*. Any other exhibit trophies shall be determined by the sponsoring organization.

SHOW CLERKS

There are two types of registration clerks and each has a different responsibility:

- 1. Classification registration clerk:** Reviews entries to ensure proper show schedule classification, check that the plant name, exhibit and exhibitor information are correct. Note: The exhibitor is ultimately responsible for the correct classification of an entry.

2. **Entry registration clerk:** Located at the entry registration desk, clerk(s) receive plant/exhibit digital entries from exhibitors; proper entry numbers are generated and subsequently added to the other entries in the same class via computer. These responsibilities are often shared by two or more people.

Three types of **show (ribbon) judging clerks** assist the judges during the judging process:

1. **Head Clerk:** Responsible for the efficient performance of the judging process. This also includes recording the decisions of the judges, making a record of the awards given, and leading the judges to the next class to consider. When personnel are available, this person should be assisted by additional clerks.
2. **Ribbon clerk:** Responsible for maintaining the ribbon supply, adding class, entry number and date to each ribbon awarded, obtaining the signatures of the judges, and placing the ribbons in accordance with the awards granted.
3. **Spotter:** Assists in locating exhibits and plants plus any other duties that may be assigned.

During the show judging, clerks are **not** to participate in the process unless asked to do so by the judges. Judges are encouraged to make ribbon judging an education experience for all involved. Ultimately, the judges' decisions will be used to determine the results for competitive awards. Further deliberations, when verbally expressed, must not be repeated or discussed with others.

SHOW RULES AND REGULATIONS

All exhibitors are expected to familiarize themselves with the show schedule and exhibition guidelines.

1. Each exhibitor agrees upon entry to abide by the rules and regulations of the show. All questions regarding the interpretation of these rules shall be referred to the Show Judging Chairman, Cheryl Erins, for a decision.

2. An exhibitor may register as many entries as he/she desires in a class.
3. Each plant shall be entered into ***ONE*** class only, except **Classes 112 Seedlings blooming for the first time** and **113 Specimen plants, which may be entered in more than one class.**
4. Improperly entered plants/exhibits may be either reclassified or disqualified at the discretion of the judges.
5. In order to sell orchid plants at the show, a vendor must place a tabletop exhibit with at least 5 blooming orchids in the show exhibit. Exhibits must conform to the *quality* of the show in accordance with the Show Committee. Exception only by discretion of the Show Chair.
6. To sell at the show, a vendor not selling orchid plants must set up at the minimum a tabletop exhibit with at least 3-5 pieces of orchid related materials. Exhibits must conform to the *quality* of the show in accordance with the Show Committee. Exception only by discretion of the Show Chair.
7. Foliage plants, moss etc., may complement exhibits, but no artificial or dyed moss or foliage of any kind will be permitted with the exception of artificial grass used as a floor covering. Plants in flower or cut flowers other than orchids will not be permitted in an exhibit. Newly imported and un-established plants are discouraged in exhibits. No dyed flowers will be permitted.
8. Neither the host society nor show sponsor is responsible for loss or damage to any plants, blooms, containers or other property of exhibitors. However, every precaution will be exercised for their safety.
9. No lighting or water features are allowed in the exhibits without expressed permission by Orchid Quest Show Chairs.

10. All exhibits, and plants, must be properly labeled.
Plant/exhibit ownership should not be visible prior to judging.
11. No cut flowers will be permitted in flowering plant exhibits.

ORCHID CLASSIFICATION

1. Entries not in accordance with the schedule may be disqualified.
2. In general, plants should be entered in the first applicable class.
3. A meristem plant or cut flower may **not** be entered as a seedling blooming for the first time.
4. For purposes of this schedule, the word "hybrid" means a cross made within the genus listed unless preceded by the work 'intergeneric', in which case, two or more different genera are used in the cross.
5. For the purpose of this show, an amateur is defined as any person who has not sold more than a total of five hundred (500) plants and/or flowers in the last year.
6. Color Definition:
 - a) In general, *blush colors* and *two-toned* flowers should be entered in the "*Other Colors*" classifications with the exception of *Phalaenopsis* which has a dedicated blush class.
 - b) Color in *Paphiopedilum* hybrids is based on the dominant flower color.
 - c) *Phalaenopsis* with 'harlequin coloring' should be entered in the class of the base color markings.

PROCEDURE FOR ENTRY OF PLANTS AND EXHIBITS

1. A separate entry must be made for each plant and exhibit.
2. Complete the computer-generated Excel form that was sent electronically (also posted on OGG website, <http://www.orchidgrowersguild.org>) prior to registration.

The Excel form contains instructions for entering information.

([orchidgrowersguild.org/MORE drop down/Orchid Quest/DOWNLOADS](http://orchidgrowersguild.org/MORE_drop_down/Orchid_Quest/DOWNLOADS))

3. The ENTRY TAGS will be generated by computer. It is the responsibility of the exhibitor to check and *confirm* that the *entries are correct before placing the tag on the plant, flower or exhibit.*
4. The EXHIBIT NUMBER, EXHIBITOR NUMBER and ENTRY NUMBERS are generated by the computer and printed on the ENTRY TAGS. They assist the clerks and judges in locating plants and exhibits during judging. On each ENTRY TAG the CLASS NUMBER for the entry is listed. Check show schedule for correct class. ***It is your responsibility to classify your entries correctly. Incorrect entries may be disqualified.***
5. If the plant with the current bloom has been to a previous AOS judged event or if the exhibitor does not wish the plant to be considered for AOS judging, write **'Not for AOS Judging' on the entry tag.**
6. **Plants with no name or that are unregistered are still eligible for ribbon judging but should be listed 'Not for AOS Judging'.**

MID-AMERICA ENTRY SCHEDULE

EXHIBITS

Exhibits shall NOT be disqualified solely on the basis of size but shall be moved and judged in the appropriate size class. Therefore, judges are requested to judge exhibit classes from small to large size order. Tabletop exhibits are judged in the classes below according to their size (25 sq. ft., 50 sq. ft.)

A. Open Competition

Trophy: Best of Classes 1 through 3

1. Orchid plants in flower, arranged for effect, 25 square feet maximum.
2. Orchid plants in flower, arranged for effect, 50 square feet maximum.
3. Orchid plants in flower, arranged for effect, more than 50 square feet
4. Educational exhibits, no space limitations
5. No class 5

B. Orchid Societies Affiliated with the American Orchid Society

Trophy: Best of Classes 6 through 8

6. Orchid plants in flower, arranged for effect, 25 square feet maximum.
7. Orchid plants in flower, arranged for effect, 50 square feet maximum.
8. Orchid plants in flower, arranged for effect, more than 50 square feet.

C. Amateur Competition

Trophy: Best of Classes 4, 9, and 10

9. Orchid plants in flower, arranged for effect, 25 square feet maximum.

10. Orchid plants in flower, arranged for effect, more than 25 square feet.

D. Cattleya Alliance

Trophy: Best of Classes 11 through 16

11. Epidendrum, Encyclia and Prosthechea species.

12. Epidendrum, Encyclia, and Prosthechea hybrids and intergenerics, but **excluding** Cattleya and Guarianthe.

13. Brassavolla and Rhyncholaelia species, hybrids and intergenerics other than above but **excluding** Cattleya and Guarianthe.

14. Broughtonia species, hybrids and intergenerics other than above but **excluding** Cattleya and Guarianthe.

15. Laelia species, hybrids and intergenerics other than above, but **excluding** Cattleya and Guarianthe.

16. Cattleya allied genera **species** other than above.(Excluding Cattleya and Guarianthe)

Trophy: Best of Classes 17 through 27

17. Cattleya species and Guarianthe species flowers 4 inches or less.

18. Cattleya species and Guarianthe species flowers larger than 4 inches.

19. Cattleya and Guarianthe hybrids and intergenerics other than above, Lavender/Mauve flower 4 inches or less.

20. Cattleya and Guarianthe hybrids and intergenerics other than above, Lavender/Mauve, flowers larger than 4 inches.

21. Cattleya and Guarianthe hybrids and intergenerics other than above, White, Semi-alba.

22. Cattleya and Guarianthe hybrids and intergenerics other than above, Yellow/Orange flowers 4 inches or less.

23. Cattleya and Guarianthe hybrids and intergenerics other than above, Yellow/Orange, flowers larger than 4 inches.

24. Cattleya and Guarianthe hybrids and intergenerics other than above Red/Red shades, flowers 4 inches or less.

25. Cattleya and Guarianthe hybrids and intergenerics other than above, Red/Red Shades, flowers larger than 4 inches.

26. Cattleya and Guarianthe hybrids and intergenerics other than above, Other Colors

27. Cattleya allied genera **hybrids and intergenerics** other than above.

E. Cypripedium Alliance

Trophy: Best of Classes 28 through 30

28. Paphiopedilum species, normally one flower when mature.

29. Paphiopedilum species, normally two or more flowers when mature

30. Paphiopedilum species, sequential blooming.

NOTE: Primary hybrid has a species as each parent.

Trophy: Best of Classes 31 through 36

31. Paphiopedilum hybrids, primary, Multiflora, any color (3 or more flowers expected when mature).

32. Paphiopedilum hybrids, primary, White

33. Paphiopedilum hybrids, primary, Green/Yellow

34. Paphiopedilum hybrids, primary, Bronze/Mahogany.

35. Paphiopedilum hybrids, primary, Red/Pink

36. Paphiopedilum hybrids, primary, Other color, Vinicolors.

NOTE: Complex hybrid has a hybrid as one or more parent.

Trophy: Best of Classes 37 through 42

37. Paphiopedilum hybrids, complex, Multiflora, any color (3 or more flowers expected when mature).

38. Paphiopedilum hybrids, complex, White

39. Paphiopedilum hybrids, complex, Green/Yellow.

40. Paphiopedilum hybrids, complex, Bronze/Mahogany

41. Paphiopedilum hybrids, complex, Red/Pink

42. Paphiopedilum hybrids, complex, other colors, Vinicolors.

Trophy: Best of Classes 43 through 47

43. Phragmipedium species.

44. Phragmipedium besseae hybrids but excluding Phragmipedium kovachii.

45. Phragmipedium kovachii hybrids.

46. Phragmipedium other hybrids.

47. Cypripedium allied genera species, hybrids and intergenerics, including Cypripedium, Selenipedium, and Mexipedium, other than above.

F. Vanda and Phalaenopsis Alliance

NOTE: Multiflora refers to flowers 3 inches or less, with multi-branched inflorescences when mature.

Trophy: Best of Classes 48 through 62

48. Phalaenopsis (Doritis) species.

49. Phalaenopsis hybrids, White, no markings.

50. Phalaenopsis hybrids, White with colored lip, no markings.

51. Phalaenopsis hybrids, White with markings.

52. Phalaenopsis hybrids, Multiflora, White, with or without markings.

- 53.** Phalaenopsis hybrids, Pink, no markings.
- 54.** Phalaenopsis hybrids, Pink with markings

- 55.** Phalaenopsis hybrids, Multiflora, Pink with or without markings.
- 56.** Phalaenopsis hybrids, Yellow, no markings.
- 57.** Phalaenopsis hybrids, Yellow with markings.
- 58.** Phalaenopsis hybrids, Multiflora, Yellow with or without markings.
- 59.** Phalaenopsis hybrids, Other colors, no markings.
- 60.** Phalaenopsis hybrids, Other colors with markings.
- 61.** Phalaenopsis hybrids, Multiflora, Other colors with or without markings.
- 62.** Phalaenopsis hybrids, Blushes.

Trophy: Best of Classes 63 through 78

- 63.** Aerangis species, hybrids and intergenerics.
- 64.** Angraecum species, hybrids and intergenerics, other than above.
- 65.** Vanda species, flowers 1½ inches or less
- 66.** Vanda species, flowers larger than 1½ inches
- 67.** Vanda hybrids, Orange/Yellow, flowers 1½ inches or less.

- 68.** Vanda hybrids, Orange/Yellow, flowers larger than 1½ inches
- 69.** Vanda hybrids, Red/Pink, flowers 1½ inches or less
- 70.** Vanda hybrids, Red/Pink, flowers larger than 1½ inches.
- 71.** Vanda hybrids, Blue/Purple, flowers 1½ inches or less.
- 72.** Vanda hybrids, Blue/Purple, flowers larger than 1½ inches.
- 73.** Vanda hybrids, Other colors, flowers 1½ inches or less.
- 74.** Vanda hybrids, Other colors, flowers larger than 1½ inches
- 75.** Rhynchostylis species, hybrids and intergenerics other than above.
- 76.** Renanthera and Aerides species, hybrids and intergenerics other than above.
- 77.** Vanda allied genera **species** other than above.
- 78.** Vanda allied hybrids and intergenerics other than above.

G. Oncidium Alliance

Trophy: Best of Classes 79 through 86

- 79.** Brassia species, hybrids and intergenerics.
- 80.** Miltonia/Miltoniopsis species and hybrids
- 81.** Miltonia/Miltoniopsis intergenerics other than above.

- 82. Oncidium species.
- 83. Oncidium hybrids
- 84. Tolumnia (equitant Oncidium) species and hybrids.
- 85. Oncidium intergenerics other than above.
- 86. Oncidium allied genera species, hybrids and intergenerics, other than above

H. **Cymbidium Alliance**

Trophy: Best of Classes 87 through 89

- 87. Cymbidium hybrids, flowers 3 inches or larger.
- 88. Cymbidium hybrids, flowers smaller than 3 inches.
- 89. Cymbidium species and allied genera species, hybrids and intergenerics, other than above.

I. **Dendrobium**

Trophy: Best of Classes 90 through 96

- 90. Dendrobium Nobile **species**. Section Dendrobium (nobile, anosmum, parishii)
- 90a. Dendrobium Nobile type **hybrids**. Section Dendrobium (nobile, anosmum, parishii)
- 91. Dendrobium Latouria type, **species**. other than above. (spectabile, alexandrae, convolutum)
- 91a. Dendrobium Latouria type, **hybrids**. other than above. (spectabile, alexandrae, convolutum)

92. Dendrobium Phalaenopsis and Antelope types.
species. Section Phaleananthe and Spatulata,
(bigibbum, superbiens, antennatum)

92a. Dendrobium Phalaenopsis and Antelope types.
hybrids. Section Phaleananthe and Spatulata,
(bigibbum, superbiens, antennatum)

93. Dendrobium Callista type, **species,** other than
above, (lindleyi, farmeri, thyrsoflorum)

93a. Dendrobium Callista type, **hybrids,** other than
above, (lindleyi, farmeri, thyrsoflorum)

94. Dendrobium **species,** other types

95. Dendrobium **hybrids,** other types

96. Dendrobium allied genera species, hybrids and
intergenerics, other than above.

J. Miscellaneous Genera

Trophy: Best of Class 97 through 103

97. Masdevallia and Dracula species.

98. Masdevallia and Dracula hybrids and intergenerics.

99. Pleurothallis, Acianthera and Specklinia species and
hybrids other than above.

100. Stelis, Scaphosepalum, and Trichosalpinx species
and hybrids other than above.

101. Dryadella, Lepanthes, Restrepia, Lepanthopsis
species and hybrids other than above.

102. Platystele, Porroglossum, Trisetella, species and
hybrids other than above.

103. Pleurothallid allied genera species, hybrids and intergenerics other than above.

Trophy: Best of Classes 104 through 111

104. Lycaste and allied genera species, hybrids and intergenerics.

105. Maxillaria and allied genera species, hybrids and intergenerics other than above.

106. Zygopetalum and allied genera species, hybrids and intergenerics other than above.

107. Catasetum, Cycnoches, Mormodes and allied genera species, hybrids and intergenerics.

108. Bulbophyllum and allied genera species hybrids and intergenerics.

109. Orchid **species** not covered elsewhere.

110. Orchid **hybrids and intergenerics** not covered elsewhere.

111. Orchid species and hybrids grown for foliage interest, do not need to be in bloom.

112. Seedling flowering for the first time, Classes 11 through 111. **May be DOUBLE entered, here and in the appropriate class above.** Mericlones are excluded.

113. Specimen plants. **May be DOUBLE entered, here and in the appropriate class above.**

Special Awards

The American Orchid Society Trophy for
the Best Exhibit

Best of Show - Orchid Plant
(AOS Judges)

President's Award
(Orchid Growers Guild President)

Show Chairs' Weird and Wonderful Award

Richard & Patricia Narf Memorial Award
Most Photogenic Orchid

Orchid Growers Guild Award
Favorite Over-Looked Orchid
in the OGG exhibit
