ON 09-24-18 AT APPROXIMATELY 1659HOURS OFFICERS RESPONDED TO 5747 GROVER PLACE IN REFERENCE TO A SEXUAL BATTERY. UPON ARRIVAL ON SCENE I, OFC. RAWLS (1512), MADE CONTACT WITH THE VICTIM/COMPLAINANT, CAROLINE HORTON. HORTON WAS ASSESSED AND RELEASED BY SFD. SHE DECLINED FURTHER MEDICAL ASSISTANCE AND ADVISED SHE DID NOT DESIRE CONTACT WITH A SAME NURSE AT THIS TIME. HORTON THEN ADVISED THE FOLLOWING:

THIS MORNING AT APPROXIMATELY 0815HOURS SHE HEARD A KNOCK AT THE FRONT DOOR OF HER RESIDENCE. SHE OPENED THE DOOR TO FIND THE SUSPECT, JOHN BLANCO, WHO WORKS WITH HORTON AT BROTHER'S HAIR DESIGN AND AS A DEPUTY CONSTABLE FOR CADDOPARISH. BLANCO HAS BEEN TO HORTON'S RESIDENCE ONCE IN THE PAST, TO DROPPED OFF HIS K9 FOR WHOM HORTON HAD AGREED TO TEMPORARILY CARE. TODAY, HOWEVER, BLANCO HAD ARRIVED, UNINVITED, OFFERING HORTON AN ICED COFFEE FROM DUNKIN DONUTS. HORTON WAS SURPRISED BY BLANCO'S VISIT BUT ALLOWED HIM TO ENTER THE RESIDENCE. THE TWO SAT DOWN ON SEPARATE SIDES OF HORTON'S SECTIONAL SOFA AND "SAT IN AWKWARD SILENCE" FOR A FEW MOMENTS BEFORE HORTON LAID DOWN ON HER SIDE. AT THAT TIME BLANCO MOVED TO LAY DOWN BEHIND HORTON, PUT HIS HAND UNDER HORTON'S SHIRT AND BEGAN CARESSING HER BARE BREAST UNPROMPTED AND WITHOUT CONSENT. HORTON WAS "FROZEN" FOR APPROXIMATELY 5-10 SECONDS DUE TO BEING "TAKEN ABACK" AND "UNAWARE OF HOW TO ADDRESS THE SITUATION." SHE THEN STOOD UP, CAUSING BLANCO'S HAND TO SLIDE OUT OF HORTON'S SHIRT, AND STATED, "I NEED TO TAKE A SHOWER." HORTON THEN RETREATED TO HER BATHROOM WHERE SHE DISROBED AND GOT INTO THE SHOWER. SHORTLY AFTER ENTERING THE SHOWER, BLANCO ENTERED THE ROOM AND STATED, "WOW YOU'RE WATER HEATS UP QUICK." HORTON AGAIN FROZE AND WAS UNWARE OF HOW TO RESPOND. BLANCO STOOD THERE OBSERVING HORTON, WHO WAS NUDE, FOR A FEW SECONDS BEFORE LEAVING THE ROOM. HORTON FINISHED SHOWERING AND GOT DRESSED. SHE THEN OBSERVED BLANCO LEAVE THE RESIDENCE AND LEFT SHORTLY AFTER HIM TO GO TO WORK.

HORTON AVOIDED BLANCO AT WORK, AFRAID TO ADDRESS THE SITUATION DUE TO BLANCO'S "POSITION AND POWER" AS AN LAW ENFORCEMENT OFFICER. AT 1300HOURS HORTON LEFT WORK AND RETURNED HOME FOR HER LUNCH BREAK. BLANCO ATTEMPTED TO CONTACT HORTON, BY PHONE, ONCE AT 1259HOURS AND ONCE AGAIN AT 1343HOURS. HORTON DID NOT ANSWER EITHER CALL. AT APPROXIMATELY 1353HOURS, HORTON HEARD A KNOCK AT HER FRONT DOOR AND HEARD THE DOORBELL RING. SHE THEN CHECKED THE SECURITY MONITOR AND SAW BLANCO'S CONSTABLE UNIT PARKED IN THE DRIVEWAY OF HER RESIDENCE. HORTON THEN LAID BACK DOWN ON HER COUCH AND DID NOT ANSWER THE DOOR. AT THAT TIME BLANCO WALKED AROUND THE SIDE OF THE RESIDENCE, THROUGH THE BACK GATE, THROUGH THE BACK ENTRY OF THE GARAGE, AND THROUGH THE SIDE ENTRY OF THE HOME, UNAUTHORIZED. HORTON WAS SURPRISED WHEN SHE OBSERVED BLANCO IN THE HOME; HOWEVER SHE ONCE AGAIN "FROZE IN FEAR". AT THAT TIME BLANCO APOLOGIZED TO HORTON FOR "ACTING OUT OF CHARACTER" AND ADVISED HER HE WAS HAVING PROBLEMS WITH HIS FAMILY AND HIS GIRLFRIEND AND "JUST NEEDED SOMEONE TO TALK TO." HORTON RESPONDED BY ADVISED BLANCO THAT HIS ACTIONS "FREAKED HER OUT." BLANCO THEN STATED, "I UNDERSTAND," AND EXITED THE RESIDENCE THROUGH THE FRONT DOOR.

AT THAT TIME HORTON CONTACTED HER BOYFRIEND, TREY CASH, BY PHONE AND INFORMED HIM OF THE ABOVE. CASH THEN CONTACTED

I interviewed Caroline Horton inside her residence. The interview was digitally recorded. For more information refer to the recording. The following is a summary of that interview. Caroline Horton stated she has known John Blanco for the last couple of years because they work together at the Brothers Hair Salon located on Kings Hwy. Caroline advised this morning around 0800hrs she was awoken by John Blanco knocking on the front door of her residence with a cup of coffee in his hand. Ms. Horton said she opened the front door and John stated he was in the area and wanted to bring her a cup of coffee. Caroline stated she let Mr. Blanco into her residence and while he sat on the couch she laid down on the sofa. Ms. Horton advised while she was lying on the sofa with her back to John he put his hands underneath her shirt and touched her bare breast without consent. Ms. Horton stated once in the restroom she got in the shower and John walked into the restroom without consent. Caroline advised while in the restroom Mr. Blanco saw her naked taking a shower and said, "this water gets hot fast". Ms. Horton said she asked John to leave the restroom and then she ran into her bedroom where she got dressed for work. Caroline stated after getting dressed they both walked out of her residence and went to work. Caroline advised on this same date, she took a lunch break around 1300hrs and drove home. Ms. Horton said while she was at her residence John called her cell phone twice but she didn't answer because she didn't want to deal with him. Caroline stated about ten minutes later Mr. Blanco pulled up to her residence in his Constable Patrol

unit and walked to her front door. Ms. Horton advised John knocked on the front door and pulled on the door knob. Caroline said she was looking at Mr. Blanco on her system surveillance system. Caroline stated John then walked to the back yard of her residence which is gated and he pulled on the back door knob attempting to gain entry into her residence. Ms. Horton advised John walked to the north side of her residence where he walked into her garage and entered her residence thru her garage door without her consent. Caroline said she was hiding underneath her covers because she was afraid of him. Ms. Horton stated once inside her residence Mr. Blanco started apologizing for touching her breast earlier and said he was acting out of character. Caroline advised John told her he was going through a lot of family issues and needed someone to talk to. Ms. Horton said she told John he freaked her out by walking thru the side door of her residence without consent in which he apologized again and left her residence. Caroline stated she wanted to pursue charges against John Blanco for sexually battery and entering her residence without consent. This concluded my interview with Caroline Horton.

On this same date, Crime Scene Investigator Cermanni responded to the scene where he took photos and downloaded the surveillance system on a hard drive. Cpl. Cermanni later downloaded the surveillance video to my office computer to be viewed. I reviewed the surveillance system which showed John Blanco arriving at Carolyn Horton's residence at 0720hrs in a dark colored Nissan sedan, Ms. Horton let him into the residence through the front door and they left the residence at 0820hrs.

On this same date, the surveillance video shows John Blanco arriving at Carolyn Horton's residence at 0120hrs in a black marked Constable Patrol unit. Mr. Blanco walks up to the front door and knocks on the front door but no answers it so he walks around the rear of the residence at 0124hrs. Jon walks opens a locked gate to get to the rear of the residence and tries to gain access to the residence by turning the knob on the back door but it was locked. When the door didn't open he went thru a side door to the garage and entered the residence without Ms. Horton's consent.

On September 26, 2018, I contacted Caitlin Wilson who works with Caroline Horton and John Blanco at Brother's Hair Salon. I conducted a phone interview with Ms. Wilson. The interview was digitally recorded. For more information refer to the recording. The following is a summary of that interview. refused to show up for the appointment. I later received a call from his attorney Natalie Howell advising Mr. Blanco will not come to my office to give his side of this incident.

On October 1, 2018, Carolyn Horton contacted me and advised she had more information to give me in regards to this case. I relocated to her place of employment to interview her again. The interview was digitally recorded. For more information refer to the recording. The following is a summary of that interview. Carolyn Horton stated she always knew

John Blanco had an infatuation with her but he didn't make her feel uncomfortable until recently. Ms. Horton advised about four weeks ago John Blanco started slapping her butt while they were at work and then he would use his finger to fondle her vagina when she walked past him without consent. Carolyn said she ask him to stop and figured he would. Ms. Horton stated John also started calling her back to his station and exposing his penis to her. Carolyn advised Mr. Blanco told her it was hard for him to groom his pubic hairs because of his excess skin. Ms. Horton said when John came to her residence and fondled her breast without consent, he also attempted to rub her vagina but she stopped him and he openly rubbed her pubic hairs. Carolyn stated she has never had sex with John and has never talked about having a sexual relationship with him. This concluded my interview with Carolyn Horton.

At this time, I don't think there's enough probable cause to charge John Blanco with Sexual Battery but I will attempt to obtain an Arrest warrant for Unauthorized Entry of an Inhabited Dwelling.

Investigation to Continue.

NARRATIVE

On 9-24-18 at approximately 1755 I was contacted by Shreveport Police Dispatch in reference to a sexual assault at 5747 Grover Pl. Dispatch advised me that acting Captain Vishnefski was on scene and requesting CSIU to respond. Dispatch advised me that Detective Belle had been notified and was responding to the scene.

Upon arrival on Grover Pl I observed two marked patrol units and one detective unit on scene in front of the residence. Acting Captain Vishnefski directed me to park my CSIU van in the driveway at 5747 and upon stepping out of my vehicle acting Captain Vishnefski advised me that I was being requested to process the scene due to the suspect being a Caddo Parish Deputy Constable. Acting Captain Vishnefski advised me the deputy constable had placed his hands under the victim's shirt and fondled her breasts. Acting Captain Vishnefski advised me that there were security cameras present on the residence but the victim was unable to access the DVR.

After acting Captain Vishnefski left the scene I made contact with Detective Belle who advised me that he needed photographs of the living room after I took my establishing photographs and wanted me to try to recover the security video from the DVR.

I began processing the scene by taking establishing photographs of the area starting at the nearest intersection. I photographed the street sign at the nearest intersection which showed my location to be the 100 block of Carroll St and the 5700 block of Grover Pl. I then took a series of panning photographs to show the scene was located in a residential neighborhood and then photographed towards the residence. I photographed the exterior of the house on all four sides. The exterior photographs included the house number which was located above the front porch and showed the residence to be addressed as 5747. There were three security cameras observed outside the residence. The first camera was above the front door and faced northwest into the drive way, the second camera was located above garage door and faced west northwest over the drive way and the third camera was located above the back door and faced north over the back door and back glass sliding door.

The back glass sliding door was open and I noticed the security bar was not secured to the door but was still down as if it was in the engaged position. The glass sliding door led to the garage which double as a laundry room and contained the water heater. Inside the garage I noticed a door that led to the interior of the house and next to the door was a very large dog door with a security panel that opened into the garage.

After photographing the exterior of the residence I entered the residence and photographed the interior. The living room was photographed which showed the back door that led into the room via the back yard. After I photographed the living room I photographed the dining room and kitchen area of the house and from the dining room I located the door and

ON MONDAY 09-24-2018, AT 1659 HRS, I RESPONDED TO A SEXUAL ASSAULT CALL AT 5747 GROVER PLACE WHERE THE VICTIM CALLED INTO DISPATCH AND STATED THAT AN OFFICER HAS ASSAULTED HER. UPON ARRIVAL I MADE CONTACT WITH LT. PAT DUNCAN AND OFFICER K. RAWLS WHO STATED THAT IT WAS NOT A SHREVEPORT POLICE OFFICER. PARISH OF CADDO

AFFIDAVIT IN APPLICATION
ARREST WARRANT

BEFORE ME, the undersigned District Court Judge, personally came and appeared
DETECTIVE DE'ANDRE BELLE, Shreveport Police Department/ Sex Crimes Unit, who after
being fully sworn, deposed and requested that a warrant of JON BLANCO, W/M DOB
11/15/1987, 5505 Asbury Ln. Shreveport, Louisiana 71129 for the offense of:

23

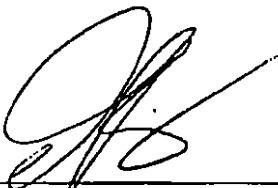

UNAUTHORIZED ENTRY OF AN INHABITED DWELLING in violation of R.S. 14:62.3
in that on September 24, 2018, he intentionally entered the home of (WF, Caroline Horton
DOB: 12/10/1992) thru a doggy door without authorization. A home or place of abode located
at 5747 Grover Place, Shreveport, La. 71105.

Probable cause for issuance of this warrant, all of which was learned by affiant through personal
investigation and the investigation of others, is as follows:

On September 24, 2018 at around 1830hrs, I was contacted Lt. Donald Vishnefski in regards to
an adult female who stated she was sexually assaulted by a known male at her residence earlier
today and he entered her residence without consent. I advised Lt. Vishnefski, I was enroute to his
location to investigate this incident.

Upon my arrival at the scene, I contacted Officer K. Rawls, the original responding officer who
advised the Comp. Caroline Horton stated her co-worker John Blanco who's also a Deputy
Constable sexually assaulted her earlier today at her residence and then came back later and
entered her residence without consent. Officer Rawls stated Ms. Horton has a video surveillance
security system which captured Mr. Blanco pulling on her outside doors and then entering her
residence without her consent.

I interviewed Caroline Horton inside her residence. The interview was digitally recorded. For
more information refer to the recording. The following is a summary of that interview. Caroline

Horton stated she has known John Blanco for the last couple of years because they work together at the Brothers Hair Salon located on Kings Hwy. Caroline advised this morning around 0800hrs she was awoken by John Blanco knocking on the front door of her residence with a cup of coffee in his hand. Ms. Horton said she opened the front door and John stated he was in the area and wanted to bring her a cup of coffee. Caroline stated she let Mr. Blanco into her residence and while he sat on the couch she laid down on the sofa. Ms. Horton advised while she was lying on the sofa with her back to John he put his hands underneath her shirt and touched her bare breast without consent. Caroline said she immediately froze because she couldn't believe he touched her and then she quickly got up to walk to the restroom. Ms. Horton stated once in the restroom she got in the shower and John walked into the restroom without consent. Caroline advised while in the restroom Mr. Blanco saw her naked taking a shower and said, "this water gets hot fast". Ms. Horton said she asked John to leave the restroom and then she ran into her bedroom where she got dressed for work. Caroline stated after getting dressed they both walked out of her residence and went to work. Caroline advised on this same date, she took a lunch break around 1300hrs and drove home. Ms. Horton said while she was at her residence John called her cell phone twice but she didn't answer because she didn't want to deal with him. Caroline stated about ten minutes later Mr. Blanco pulled up to her residence in his Constable Patrol unit and walked to her front door. Ms. Horton advised John knocked on the front door and pulled on the door knob. Caroline said she was looking at Mr. Blanco on her system surveillance system. Caroline stated John then walked to the back yard of her residence which is gated and he pulled on the back door knob attempting to gain entry into her residence. Ms. Horton advised John walked to the north side of her residence where he walked into her garage and entered her residence thru a doggy door without her consent. Caroline said she was hiding underneath her covers because she was afraid of him. Ms. Horton stated once inside her residence Mr. Blanco started apologizing for touching her breast earlier and said he was acting out of character. Caroline advised John told her he was going through a lot of family issues and needed someone to talk to. Ms. Horton said she told John he freaked her out by walking thru the side door of her residence without consent in which he apologized again and left her residence. Caroline stated she wanted to pursue charges against John Blanco for sexually battery and entering her residence without consent. This concluded my interview with Caroline Horton.

On this same date, Crime Scene Investigator Cpl. Robert Cerami responded to the scene where he took photos and downloaded the surveillance system on a hard drive. Cpl. Cerami later downloaded

the surveillance video to my office computer to be viewed. I reviewed the surveillance system which showed John Blanco arriving at Carolyn Horton's residence at 0720hrs in a dark colored Nissan sedan, Ms. Horton let him into the residence through the front door and they left the residence at 0820hrs.

On this same date, the surveillance video shows John Blanco arriving at Carolyn Horton's residence at 0120hrs in a black marked Constable Patrol unit. Mr. Blanco walks up to the front door and knocks on the front door but no answers it so he walks around the rear of the residence at 0124hrs. Jon walks opens a locked gate to get to the rear of the residence and tries to gain excess to the residence by turning the knob on the back door but it was locked. When the door didn't open he went thru a side door to the garage and entered the residence without Ms. Horton's consent.

On September 26, 2018, I contacted Caitlin Wilson who works with Caroline Horton and John Blanco at Brother's Hair Salon. I conducted a phone interview with Ms. Wilson. The interview was digitally recorded. For more information refer to the recording. The following is a summary of that interview. Caitlin Wilson stated she worked with Mr. Blanco and Ms. Horton for the past 6 years at the Salon. Caitlin advised John also works for the Caddo Parish Constable's Office part time. Ms. Wilson said John has never touched her inappropriately but he flirts and jokes with Caroline all the time at work. Catlin stated Mr. Blanco always wants to know where Caroline's located because he likes her. Ms. Wilson advised John and Caroline have never been in a sexual relationship together. This concluded my interview with Catlin Wilson.

On this same date, I contacted John Blanco by phone and setup a meeting with him on September 27th at 1000hrs but he refused to show up for the appointment. I later received a call from his attorney Natalie Howell advising Mr. Blanco will not come to my office to give his side of this incident.

On October 1, 2018, Carolyn Horton contacted me and advised she had more information to give me in regards to this case. I relocated to her place of employment to interview her again. The interview was digitally recorded. For more information refer to the recording. The following is a summary of that interview. Carolyn Horton stated she always knew John Blanco had an infatuation with her but he didn't make her feel uncomfortable until recently. Ms. Horton advised about four weeks ago John Blanco started slapping her butt while they were at work and then he

would use his finger to fondle her vagina when she walked past him without consent. Carolyn said she ask him to stop and figured he would. Ms. Horton stated John also started calling her back to his station and exposing his penis to her. Carolyn advised Mr. Blanco told her it was hard for him to groom his pubic hairs because of his excess skin. Ms. Horton said when John came to her residence and fondled her breast without consent, he also attempted to rub her vagina but she stopped him and he openly rubbed her pubic hairs. Carolyn stated she has never had sex with John and has never talked about having a sexual relationship with him. This concluded my interview with Carolyn Horton.
