Top Reasons Why Wedding Festivals Bridal Shows Work

Our show brings together everything for the wedding and reception under one roof.

Our formula for success begins with convenient show locations. We then add spectacular fashion shows, idea galleries and exhibits by the areas leading wedding professionals.

We entice the brides with an original over the top "Platinum Wedding Theme," which inspires them as they walk down the aisle.

We create excitement with an extensive multi-media advertising program, unique promotions, and thousands of dollars in gifts and prizes.

The result is the area's premier bridal event...and your business can be a part of it!

More face to face contacts in one day than you can meet in months

Networking:

Network with other businesses in your industry as they see your work and start new relationships in the wedding industry that can continue even after the show.

Targeted Marketing:

Why spend thousands of dollars in advertising to 1% of the population when we can do that for you for one small booth fee?

Massive Advertising Campaign:

Billboards, (Television and radio in some markets), website, pre-show mailings, store displays, bridal magazines, over 7,700 fans on Facebook and more. Insuring your show investment is going to work!

No other show, of any kind, in South Carolina and North Carolina does this much advertising, which gives you a central place to meet the most brides possible in your market.

Professional Trade Show Management!

You wouldn't want a Bride to hire someone who is "learning on their wedding." Why would you hire an individual that is learning with your advertising money? Wedding Festivals has been producing trade shows since 1991.

Wedding Festivals saves you money! Divide your investment by the bride count and you will see that Wedding Festivals is a great deal! A Large Bride Count means more chances to make a sale. In the average business, you will get some "no's" before you get a "yes." With Wedding Festivals, the more brides, the more chances to get bookings. Wedding Festivals owns it's own equipment and transportation vehicles. It's large staff sets up every show from scratch, using trade show pipe and drape. Cutting this cost saves you money in booth fees.

Not just a table top bridal show!

10X10 or 10X8 cubic feet in each booth. This creates a working atmosphere and allows the customer to see more of your business and make decisions at the show. Each booth is like your temporary showroom and consultation area. A perfect first impression.

Meet The Producers:

Wedding Festivals owners Marc and Colleen Wheeler have been producing bridal trade shows since 1991, and produce 9 shows a year in South Carolina and North Carolina.

Colleen graduated with two degrees in Theater Production from North Greenville University and Anderson University and says her training in this area has helped to make their shows unique. She also grew up with her family's importing business, which included wedding supplies and industry wholesale expositions.

Since 1990, Colleen and Marc have worked on every level of the wedding industry. Working with brides through the retail side and servicing the wedding industry in bringing brides and businesses together. Colleen served on the Board of Directors for Bridal Show Producers International for six years and Marc is currently serving his fifth term and has been elected as Director.

Kennedy Kapanzhi, their daughter, has a marketing degree from Liberty University, and has grown up in the wedding world. Kennedy offers a priceless perspective of the millennial bride and manages over 100 weddings a year at their 2 Upstate Wedding Venues.

Wedding Festivals works with over 500 wedding related businesses each year and assists over 4,500 brides per year in planning their weddings. Their website, www.weddingfestivals.com is very popular among local brides in assisting them in planning their wedding.

Booth Dividers:

All booths will have white or black backdrops. Light signs & decorations may be attached to the backdrop poles. Wedding Festivals cannot guarantee color of drapes.
