

Join us for our Meeting and Annual Photo Contest

Photos up to 5x7, with or without a frame are eligible. Exhibitors are limited to 2 photograph entries per Class. Prizes for each category will be awarded along with a best of show. We have had a very nice display in recent years and hope you will participate this year. This is a fun event and you don't need professional quality photos, just ones you enjoy and want to share with other members. Everyone present will choose their favorite photo from each class. Label each photo with your name and the name of the rose, rose garden or arranger as appropriate. If you don't know the name, enter it anyway, it not required.

Classes are as follows:

Class 1: Single Bloom (one bloom per stem)-any type of rose

Class 2: Spray (two or more blooms per stem)-any type of rose

Class 3: Rose Garden (any rose garden, yours, a friend's, public rose garden)

Class 4: Bouquet or Arrangement (an arrangement from a show or something you just threw together for a friend or your own home)

Class 5: Anything Rose related (this is pretty wide open, parts of a rose, people with roses, insects or animals with your roses, abstract rose pictures, or anything rosy that doesn't fit in one of the other four categories)
