## FROM THE DISTRICT DIRECTOR'S DESK—NANCY J. REDINGTON

### Director's Message

**H**appy Thanksgiving and Merry Christmas. It is the topic of the season and time to reflect on how thankful we have been for another wonderful growing season in the rose garden. This year has given me a lot of time for reflection. I missed the first few months, what I call the "hopeful stage." Having my leg immobilized made any work outside, risky at best. This is when you find out why you are in a rose society and not just out there growing roses by yourself. **Donna and J R Smith** drove over an hour each way to help **Joe** with the pruning. And they did that twice! (They will now be upset because I singled them out. But I don't care. They deserve many accolades.) **Joan Singer** had to drive me to the meetings. Cards and kindnesses were all very much appreciated. Without that kind of friendship, I wouldn't have had any roses to play with for the rest of the season. As I sit at the Thanksgiving table, I will give thanks for the creation of the beautiful flowers and thankful for the rosy hands that made it possible for me to enjoy them.

I am also going to give thanks that our dearest **Father Gervase** regained his health after an unplanned visit to our local Harrisburg Hospital. Who says District Conventions aren't exciting? A few days in Holy Spirit Hospital made him as right as rain. Having him home to Pittsburgh in time for their society's show was also a timely blessing.

We had some great shows this year, and probably the highlight was the extremely successful **Mini National Rose Show & Convention** hosted by the **West Jersey Rose Society** in July. **Gus Banks** managed to AGAIN put his mark on a very wonderful weekend.

**We did it!** Penn-Jersey District headed the run to the finish line as the **Frank Benardella Trophy** came to fruition. **Bill Kozemchak, Andrew Hearne,** and I commissioned the trophy design and babied it to completion, including the funding. The **District** was the largest contributor, as was only right, as a mark of our affection for **Frank**. Many individuals along with **Penn-Jersey District Societies** also made contributions. This trophy is a result of the work and funds of everyone in and out of the **District** and we all should feel proud. A final report and listing of contributors will be submitted to the **American Rose Society** for their permanent records. I have been asked, how individuals could still contribute to the funding and establishment of the "**Keepie**" trophies that go with the winner. Until the first of the year, when a report will go to the national **ARS** office, anyone can send a contribution

for the trophy to our **district treasurer: Georgianna Papale, 2371 Pericrest Dr., Pittsburgh, PA 15220**  
[msgeorgie@ix.netcom.com](mailto:msgeorgie@ix.netcom.com), Tel #: 412-563-6755.

**Georgie** would like the words **Benardella Trophy** to be written on the Memo line of the check. If, and when we exceed the required contributions for the trophy and **keepies**, we will give the remainder to the **ARS** as one lump sum in memory of **Frank**.

I think everyone was delighted when it was determined that **Mike and Sally Wrightstone**, from Mechanicsburg, Pennsylvania were the winners at this inaugural presentation. Most of us would just say, that was only right. Well done!

Another big event was of course our **Fall District Show and Convention**. The **Greater Harrisburg Rose Society** offered a new concept for the district. A one-day show with the most fabulous food ever. Thanks go to **Mary Slade** and her committees for a wonderful day, packed with great roses and wonderful fellowship. It was an extremely well attended one day event and I will be anxious to hear from others on how they liked that format.

In mid-October, **Joe** and **I** traveled to **Tyler, Texas** for the **Fall National Convention**. Again there were great roses, food and fellowship. Following the convention, a day trip was made to the **ARS Gardens in Shreveport, Louisiana**. The day couldn't have been more perfect. The temp was ideal, the setting peaceful and another wonderful day among the roses.

For those who have never been to the garden, its history and conception goes back 40 years (Duh – it was the 40<sup>th</sup> anniversary celebration!). The **Penn-Jersey District** actually has an area of the garden that was funded by several of our societies. In this area, a few societies made contributions for specific individuals and their societies. They are the **Redding Society, SPARS (South Penn Area Rose Society), the Harrisburg Rose Society, the Harrisburg West Shore Rose Society, the Signaigo Garden, the Lincoln Atkiss Bench, and the Harry and Marty Weber Bench**. We will have pictures at the “**End of Winter**” weekend. As you may know the **Harrisburg and West Shore Societies** are now **The Greater Harrisburg Rose Society and the SPARS Society** is no longer active.

Not all districts have contributed to the National Gardens and it was with pride that I noted the markings stated the support that came from little ole Penn-Jersey.

Two weeks after Texas, I flew to Charlotte, North Carolina to attend the **Top Gun Convention**. This is a Friday night, Saturday afternoon event marked again with fabulous food, an auction, a rose show and speakers. **Fred and Nancy Wright** were the hosts. I was also offered the opportunity to visit the **Wright's** gardens. As you might guess, a goodly number of fabulous blooms were from varieties that his brother has introduced. I had only one problem, I am 5 foot 4 and the plants were 7 foot 3. You absolutely needed a step ladder to get to the top. I was assured that they had a full season of growing behind them and that they had been pruned low in the spring. Oh really??! It was a magnificent garden with the healthiest foliage I had ever seen in November. I wanted to move in and just sit there and enjoy.

And here I am two weeks later, reflecting and planning. Reflecting on the memories of the summer sun, aroma of the blooms, the sound of birds and an occasional lawn mower and smiling about all of it. I remember the laughs, the exhaustion, (knowing it was worth every tired muscle) and the wonder of the garden that **God** let me sit in.

And now I plan, new roses, fun things, trips, new roses, different spray material, new roses, shows, designs and of course new roses.

While you are planning, set aside the first weekend in **March 6, 7 and 8, 2015**. It is our “Spring Forward” (thank **God**) weekend. This year, it has been requested that we spend some time helping folks perfecting their photography skills. You wonder how come some photos are selected as the best and others are not. *Come*. Want some help figuring out your camera. *Come*. Want to talk to the winners to hear how they do it. *Come*.

We are also very lucky to have both candidates who are running for the **American Rose Vice-Presidency** come and meet with us. Each will be presenting a program. **Bob Martin** and **Sam Jones** are both very respected members of the **ARS** and we may have a very difficult selection ahead of us. There will be the traditional **Photo Contest** started by **Gus Banks** many years ago. So some old, some new, but definitely something for you. See you in **March . . .** and a very holy and blessed season for all. **Merry Christmas!** And, I will be thankful for that too!

***Nancy Redington***

## Plan Now for the Penn-Jersey District End-of-Winter Rose Photo Contest

If you haven't already done so, prepare your color picture prints for the **Penn-Jersey District End-of-Winter Rose Photo Contest** so that you can enter them next **February**.

The photo contest is open to any photographer who is either a member of the Penn-Jersey District and/or who has registered for the 2015 End-of-Winter Rose Weekend. Exhibitors do not have to attend the End-of-Winter Rose Weekend to enter the competition and need not be present to win.

Each photo entry must be an unmatted 5"x7" color print. Mail entries with your name, the class number, and the name of rose or other photo identification attached to the back of the photo to: Bruce Monroe, 3030 Maple Shade Lane, Wilmington, DE 19810-3424. **All entries must be received by February 9, 2015.** Although not required, contact information, a phone number and/or an email address, would be appreciated.

**Except for the novice class (class 1), exhibitors are limited to two entries per class.** Entries in excess of two per exhibitor per class in classes 2-14 will not be considered for awards. Novice exhibitors may enter up to five photos in class 1 and may enter other classes as well, provided the same photo is not entered in more than one class. The Novice class is open only to those exhibitors who have won three or fewer blue ribbons in previous district and national photo contests.

All roses, gardens, and activities must be correctly identified. Rose photos will be evaluated 50% on exhibition quality of the rose and 50% on photographic excellence. Arrangement photos will be judged 50% on the arrangement design and flower quality and 50% on photographic excellence. Classes 11-14 will be judged on photographic excellence only.

All photos entered will be on display and final judging and awards will be made at the End-of-Winter Rose Weekend, **March 6-8, 2015**, in New Cumberland, PA. The judges' decision is final. Ribbons will be given in each class and awards to the top three photos overall.

All rights to the submitted photos are retained by the owners of the photos. However, by entering the contest, the owner agrees to allow the Penn-Jersey District of the American Rose Society to display the photo at the 2015 End-of-Winter Rose Weekend and publish the photo in the District Newsletter, the **Rose Vine**. Owners who enter photos that win blue ribbons also agree to allow the local rose societies in the Penn-Jersey district to publish their winning photos in the societies' newsletters.

Please note the following definitions:

An **exhibition bloom** is a specimen that has one bloom per stem without side buds. Unwanted side growth, side buds and/or spent blooms may be removed from any specimen to improve the appearance. At its most perfect phase of possible beauty an exhibition bloom is generally one-half to two-thirds open, gracefully shaped with sufficient petals symmetrically arranged in a circular outline, and tending to a high center. An **open bloom** must have the stamens showing. A **spray** has two or more blooms per stem with or without unopened side buds. Roses classified as **single or semi-double roses** by the ARS are generally at their most perfect phase when fully open.

- Class 1:** Novice Class – Photo appropriate for any of Classes 2-14.
- Class 2:** One Exhibition Bloom, Hybrid Tea, Grandiflora, or Floribunda—no side buds
- Class 3:** One Exhibition Bloom, Miniature or Miniflora – no side buds

Horticulture judges are required to attend an update at least once every four years and are encouraged to do so more frequently. ## THE 2014 PENN-JERSEY DISTRICT CONVENTION & ROSE SHOW

BY: BILL KOZEMCHAK

The 2014 Penn-Jersey Convention and Rose Show were hosted by the Greater Harrisburg Rose Society on September 4th at the Sheraton Harrisburg-Hershey Hotel. This was a one day convention and show with all district activities held on Saturday. There was a hospitality room open Friday evening for those arriving early and also garden tours on Sunday for those staying over Saturday night. Since the usual Saturday banquet was replaced by a delicious Saturday buffet lunch, many people left after the awards presentation at dinner time.

The District MacFarland trophy went to Ken Borrmann with an entry of Veterans Honor, Randy Scott, Mavrik, Let Freedom Ring and Affirm. Mike & Sally Wrightstone took the Ralph Moore with Jean Kenneally, Breath of Spring, Bees Knees, Nancy Jean, Joy, Soroptimist International and Luis Desamero. The Griffith Buck Trophy went to Bill & Kathy Kozemchak with an entry of Carefree Marvel, Heart 'n' Soul and Swan. Ken Borrmann also took the J. Benjamin Williams Miniflora Trophy with Foolish Pleasure, Whirlaway, Tiffany Lynn, Shameless, Abbey's Angel and First Choice.

Pat Lawrence won the Gold Medal Arrangement certificate, the Mrs. John Signaigo Challenge Trophy and the Florence McNeil Penn-Jersey Perpetual Trophy. Nancy Redington won the Silver Medal Arrangement Certificate, the Duchess Award, the Keepsake Award, the Mini Bronze Arrangement Certificate, the Mini Princess Award and the J. Benjamin Williams Artistic Trophy. Curtis Aumiller won the Mini Gold Arrangement Certificate, the Mini Artist Award, the Mini Silver Arrangement Certificate, the Mini Royalty Award and the Rose Schwarzkopf Arrangement Perpetual Trophy. Elaine Adler won the Judge's Arrangement Certificate.

The Silver Honor Medal was presented to Bruce Monroe for his outstanding service to the district. Bruce was previously awarded the Silver Honor Medal by the Colonial District. The Outstanding Judge for Penn-Jersey was Ron Chronister this year. Georgie Papale was presented with the Outstanding CR award, an award long overdue. Diane Wilkerson was elevated to Master Rosarian status for her long time fine work as a CR.

## WHAT WE DO TO PROLONG THE ROSE SEASON BY: DONNA SMITH

Our District Director, Nancy Redington, wanted to know how we prolong the rose growing season now that fall has approached and winter is around the corner. We start in August and September taking rooted cuttings out of the cutting bed, potting them up, and putting them in the greenhouse. We also have potted roses that never made it to their forever spot in the garden in the Greenhouse.

Other potted roses will be put in a spot and mulched in, pot and all, and protected until spring. J R also gets ready peat pots for seeds that need planting and that were harvested from our rose hips. When everything gets in the greenhouse for the winter, there is only a bit of a path to walk in and out.

During the winter months, we can see how varieties grow. If something is blooming, and there is pollen, J R can hybridize as well. We keep a minimum number so we really can evaluate what is growing, instead of just tossing it after the first bloom. You would be surprised to see how differently the plant blooms the longer you grow it.

We keep the greenhouse around 40 degrees with the sun warming during the daylight hours. It is so nice to walk into the greenhouse during a snow fall and have roses, Freesia, Begonias, and other annuals just blooming away.

Now for people starting their own cuttings who do not have a greenhouse, you can keep the cuttings "jarred," mulching to the top of the jar, and leaving the top of the jar to get light. This mulch remains on the cutting bed until spring when you start to remove mulching and get ready for pruning. Mulch can be pulled away and leaving jars in place until your new plants get acclimated and you have taken the time to harden off your new plants from being sunburned by shading them with an umbrella.

During the winter months, we still spray for Spider Mites and Mildew and also start winter cuttings.

Along with starting rose seedlings, by the time spring arrives and plants are moved out, you have to wonder where all these plants were stored. There are far too many plants that come out of the greenhouse than you remember placing in there in the fall. We do try to utilize all of our space along with all my other plants which we winter over. I just have a hard time throwing good plants away.

This is just our way of keeping interested in the rose growing hobby and what works for us.

## 2015 AMERICAN ROSE SOCIETY TRIENNIAL ELECTION

2015 is the American Rose Society's triennial election year. We will have the opportunity to vote for individuals to represent us and to provide managerial guidance to the American Rose Society. We will be voting for the new ARS Vice President. We never vote for President but the current Vice President, Pat Shanley, becomes president in September when Jolene Adams completes her term.

At this time, the ARS is soliciting nominations for Vice President, Regional and District Directors. A basic requirement is that you have three years as an ARS member. You also need to be a member of the District or Region.

In addition to voting for Vice President, members of our district will vote for both District Director and a Regional Director. Because our District is divided between two regions, our members in New Jersey will vote for the Region 0 Director and our Pennsylvania members vote for Region 1 Director. All terms are for three years but Regional and District Directors can serve for two terms. Voting will be by electronic ballot. Actually members will only vote where there is a contested position.

Anyone interested in nominating a member or obtaining more information about qualification requirements please contact me at [jrsyrose@gmail.com](mailto:jrsyrose@gmail.com). In order to meet deadlines for the ballots, all nominations must be returned to the American Rose Society, Attn: Carol Spiers, P.O. Box 30,000, Shreveport, LA 71130-0030 by January 30, 2015. Email is preferred: [carol@ars-hq.org](mailto:carol@ars-hq.org).

There is also a requirement to elect the District Member of the National Nominating Committee. Although the term of office will not begin until fall, 2015, we need to have this election prior to our fall meeting. This is because ARS headquarters must have the name and address of this individual by **July 31, 2015** in order to have the results published along with the election winners. This requirement can be met by holding the election at our End of Winter District business meeting in March. Anyone interested in running for this position should contact me.

# Call for Nominations for “Miniature and Miniflora Rose Hall of Fame”

Dr. Jim Hering, Chairman  
ARS Miniature/Miniflora Rose Committee

The ARS Miniature and Miniflora Rose Hall of Fame honors miniature and miniflora roses that have stood the test of time in commerce for at least 20 years. Now, it is your opportunity to participate in this process by sending in your nomination(s), (five or less). A short list of the most popular miniature and miniflora roses that are 20 years or older can be found at the end of this article. Criteria for the Hall of Fame can be summarized as follows:

1. The variety must have been introduced at least 20 years prior to the year the award is given. Introduction date will be verified by the latest edition of *Modern Roses*.
2. There can be multiple winners in any year.
3. Varieties for consideration are solicited from the general membership through an announcement in the *American Rose* magazine, on the ARS web-site, in the Miniature Rose Bulletin and in district and local bulletins. Nominations are to be sent by April 1, 2015 to:  

Dr. Jim Hering  
1050 Kingwood Drive  
Marion, OH 43302
