

Unga

By
Kathleen
Boyd

Thank You For Reading!

Notes:

- Protagonist is a sheep because my name means "ewe" or "female sheep" in Hebrew
- Her name is Una, meaning "Lamb"
- "Leah" is a reference to "Leah" in the Bible, the older sister who stole Jacob from her sister, Rachel
- Inspired by Salty Burns Press from East Bay Alternative, along with other cute zines on social media and the Disney animation style
