"Miniature Collages" by Shirley Horacek

Shirley creates beautiful collages using unryu paper colored with water colors. She has won many awards for her beautiful work, with her MO50 entry shown here being chosen for the State Fair Community College Purchase Award in 2022.

For her program, she says "The intent is to create a miniature work of art by layering and glueing very thin torn or cut pieces of mulberry paper onto watercolor paper."

What you need to bring:

- Small brushes to apply glue
- Elmer's Glue
- Water container
- Small container for glue
- Scissors
- Tweezers
- Photos or ideas to work from
- Any interesting paper you might like to incorporate into your collage
- Small sheet of matboard or cardboard to use as a work surface

Shirley will provide the watercolor paper (size 4 x 6 inches) ; this will be a postcard show! Shirley will provide the colored unryu (mulberry paper).

The meeting will begin at 6:30 in the Arts and Crafts Room of the Warrensburg Community Center.

NOTE: If you participated in the Summer Paint-In—wear the T-shirt you created!
