Members may enter one or more works. The Gallery can provide for display of both 2D and 3D works as well as some that might require special installation. MMA and the UCM Gallery reserve the right to remove art that is not **appropriate for viewing by families**. Large works work well in the gallery space. All 2-D work should be wired and ready to hang.

NOTE: Works are required to remain in the gallery for the duration of the exhibit. Please plan accordingly and do not remove items prior to the end of the scheduled exhibit dates.
