

# Aug-Sept. 2023

## PRESIDENT'S MESSAGE

Summer through fall is always a busy time for art shows. If you have information about upcoming shows or want to share awards you receive, please send to me and/or Gary.

Congratulations especially to all who received honors at the Missouri State Fair. There are many entries and few awards—only 8 in each class and 4 in the MO50 (plus a few HM in each class). Everyone who entered these events is to be congratulated for sharing their work in this great Missouri showcase of Missouri art! MMA responded to the call for volunteers in Fine Arts, and we had an impressive # of members helping out throughout the Fair and also helping provide the delicious foods for the Artist Reception.

Our annual Holiday Arts and Crafts Show we co-sponsor with Warrensburg Parks and Recreation is set for Saturday, November 4. Vendor applications were sent to you by email. They can also be printed from our website [www.midmissouriartists.com](http://www.midmissouriartists.com) (news and events). Please encourage area artists and crafters to consider participating in the 2023 show—it's our only fundraiser.

## MMA September Program: Artist Talk with Hannah Lindo

**MMA September 28 meeting – 6:30 p.m. Arts and Crafts Room, Warrensburg Community Center (Note the time change.)**

Artist in Residence and Adjunct Instructor in Painting and Drawing at UCM, Hannah Lindo, will present images of her work, process, and thoughts throughout her education and artistic career. Lindo will have a 20-30 minute artist talk with a Q&A afterward.

Lindo earned a Master of Fine Arts in Painting and Drawing, University of Kansas, Lawrence, KS in 2022; a Bachelor of fine Arts in Painting and Drawing from Fort Hayes State University in 2017. Her teaching experience includes her current position of Artist in Residence/Adjunct Instructor in Painting and Drawing, Painting and Life Drawing at UCM and Lecturer and Instructor in Fundamentals of Oil Painting and Life Drawing, University of Kansas 2020-2022. Her paintings have been in both solo and group shows.

In discussing her art, Lindo says, “The materiality of my work is crucial to me because I believe oil paint contains life and memory. The surfaces of my paintings have amassed many layers of paint. Beneath the surface, previous color and gestures layer to show the history of its making. My brushstroke is immortalized within the paint body, displaying my hand and way of visually thinking. I strive to share the aspect of time through thick layers of paint. Doing this reminds me that, like painting, life takes time to develop. I paint to understand and hold onto the current moment, appreciating what I can find in the present. I paint to see growth even when life feels still.”

**MMA Christmas Party/Dinner:** change of date. Because of a conflict, we changed the date for our annual Christmas party to Thursday, December 14 – will be held at RISE again. Please note this on your calendars.

## Rising Costs Result in Membership Fee Increase

Many MMA expenses have increased recently—rental of our storage unit, postage fees, postal box, and web site. To help cover some of the increased costs, the Executive Committee voted to increase membership fees by \$5 across the board—all categories of membership will pay \$5 more in 2024 (with the exception of full-time students who will still be free). Our membership fees have not increased since I’ve been a member—many years—and will still be much lower than other area arts organizations which are around \$40. MMA income comes from membership fees and the net profit on the Holiday Arts and Crafts Show – help us fill as much space as possible in the Community Center with quality vendors. For those who wish to make special donations, MMA is a 501 3C—donations are tax deductible.
