Why I Recommend Mid-Missouri Artists

Great opportunity to
learn from others
and also get feedback
on what I'm working on.

- Artwork is for sale
- Available for workshops/presentations

REBECCA LIMBACK

WARRENSBURG, MO

ABOUT THE ARTISTS

CREATIVE INTEREST—Always experimenting and learning something new. Photography, watercolor, colored pencil, acrylic, cyanotype, collage using a variety of media (acrylic skins, altered papers, etc.)

Like many artists, early “training” was a Jon Gnagy Learn to Draw kit!! Signed up for a mat cutting class with Jeanie Foster to save money on matting photographs. Moved on from there to a watercolor class and other classes and workshops as available. Have experimented with numerous media: watercolor, acrylics, oils, colored pencil, and lately mixed media using altered papers, gel plate prints, and other objects. Most work is based on photographs, and photography is still a favorite media.

Member of Colored Pencil Society of America, MMA and SVAA. Entries selected for MO 50 10 years. Numerous awards in area art shows and regional and national Colored Pencil events. Served as judge in area art shows; taught workshops on altered papers. Served 4-year term as Warrensburg Art Commissioner.
