13 th	Landowners picnic Scott county fair grounds

Where's the Snow Guessing Game

Dean Townsend is the winner of the 2024/2025 Snow Guessing Game. He was unfortunately 1.2 inches within the final total. As we all know that is not a good thing as it was only 24.3 inches of snow. Dean wins \$100. Congratulations and thank you everyone that played the games. Looking forward to next years predictions.

Adopt a Highway Volunteers Needed

This year we will be doing our community service on May 17th. For those members that would like a free breakfast, we will meet at Ze's Diner in Prior Lake at 7:30 a.m. Pick up starts at 9 a.m. for those that cannot make breakfast. Meet at day care center behind the Holiday Station and Pike Lake Rd. The section of road we have been responsible for the past 32 years is on county road 42 and goes from CO 21 to CO 18. With enough volunteers it only takes an hour. If you can help please join us and help our community.

We only have 7 people signed up so far. Please help, we need at least 15 to 20 people to make this a quick pick up.

To sign up, follow the link or scan the QR code below.

2025/2026 Meeting Schedule

This year we moved our meeting day to Thursday as a test run. The goal is to increase attendance due to the restrictive parking at the PL VFW. As it turns out, Thursday night has more availability for parking, however they also hold a corn hole league on Thursday nights which also has its faults. We have had a number of requests to move meetings back to Wednesday nights. I have looked back at the last three years attendance records and found that attendance has dropped greatly since moving to Thursday night. The numbers are skewed however as we did not have ridable snow this year, however we did not have any last year either. So again, please let us know your thoughts about keeping it on Thursday nights or moving it back to Wednesday nights. The premise of moving to Thursday nights was a valid reason, however if people cannot attend or if meeting fall on a club trip, it would cause issues as well.

Please mark your response at the following link before this coming Thursday night when the board will make the decision for this upcoming year.
