YERADOGTOO

April Meeting

TOMORROW night's meeting is at the Prior Lake VFW at 7:00 p.m. There are only a few items on the agenda but they are important items that need to be taken care of.

Spring Banquet Event

This year's events was attended by 34 people which is down quite a bit from previous years. Those in attendance had a great time and many laughs at the president's expense or should I say "slap..."

Pictured is Gail Adelman receiving the Sled Stopper Award. Other awards given out was Kris Murray Runner up in all categories, Rick Beutler's adventures won him the Shovel it award and after many years of being missing, the Slip Sliding Away trophy returned only to be won by Kurt Niosi. The competition was strong this year as many members were vying for the awards. Of course not on purpose. Already looking forward to next year's stories.

Adopt a Highway May 7th

Remember of our commitment to serve the community. We will be picking up C0 42 on May 7th. Meeting at Zee's Diner at 7:30 for breakfast where the club will pick up the tab. If you cannot attend breakfast we will meet at 9:00 a.m. in the parking lot of the day care center behind the Holiday Station on Pike Lake Rd. Please consider helping. If we have 12 or more members helping we can complete the work in about an hour. Anything less than 12 can take hours. Do not assume others will show up.

Lake Front MUSIC FEST July 9th and 10th

Please consider volunteering at Music Fest on behalf of Prior Lake Snowmobile Association July 9th and 10th 2022. Land Owners Picnic

July 11th is our annual Land owner's picnic where we invite landowners and members alike to join us for a wonder chicken dinner at the Scott County Fair Grounds. Please consider joining us and thanking the land owners for our wonderful trail system in Scott County.

Club Rides

Well we have to wait until next year for any new rides. If you would like us to consider a location to travel to, send a note or mention it on our Facebook page. We are always looking for somewhere new to go. .

PLSA is on Facebook

If you have not done so already, join us on Facebook. Diane does a great job keeping us all informed and in the know about many of snowmobiling activities that happen all year long. Just because summer is coming doesn't mean you still can't "Think Snow"
