October Meeting

Join us for our next meeting October 12, 2022.
7:30 in the basement of the Prior Lake VFW. Trail
in is only 4 weeks away and we need your help.

Adopt a Highway

Paula, Mark and
Gail showing us
how it's done.

This last Saturday we completed our 30th year of the Adopt A Highway clean up. I would like to thank the 16 volunteers that showed up to make quick work of it. Breakfast was great, but community service and talking to some really fun people was even better. Looking forward to having even more people at the spring cleanup in May of 2023

Membership Drive

November is our membership renewal and new member appreciation month. Please consider renewing your membership and asking your friends and neighbors to join. We work hard to make the trails in Scott County enjoyable, and we need all the help we can get. If you haven't been an active member in the past, please think about how you can help. It may be as little as 4 or 5 hours a year. Do not assume someone else will step up!

Trail Maintenance

Paul Hartwig will be looking for volunteers to help with maintenance and cleanup of groomer. Please consider a few hours of your time. Sign-up sheets will be available at the meeting and dates will be posted on our Facebook site

PLSA Club and on **Priorlakesnow.com**

Trails do not just magically show up. It takes volunteers like yourself to help. Last year was a big year for trail improvements with bridge replacements, however more needs to be done. This past spring the PLSA was awarded a \$1000 grant from the Prior Lake Rotary to help us improve our trail

signage. This has been on our radar for the last few years to bring our trails to a level that those who visit our area can find their way around. Sean Reagan has been leading this effort and he could use some help. If you are interested please let a board member know.

Trail In dates have not been established by the trail bosses as of this newsletter. If you would like to help our trail bosses, please let us know. Most trails go in the first weeks of November. Trails open December 1st if we have snow that is....

River bottom clean up. Again this year there was some flooding on the Minnesota River. The Shakopee club will be looking for volunteers to help clean up the trails and remove fallen trees.

If you are available and willing to help. Go to the River Valley Trailblazers Snowmobile Club on Facebook where they will be update the dates and times.

Toys for Tots

This year again we will be participating in the Toys for Tots campaign. If you wish to donate a toy or cash, please bring them to our monthly meetings. We need a lot of toys this year as demand is way up. If you cannot make a meeting you can also drop off the donation or we can come get it. Please contact Tom at myc90touring@gmail.com or Terry Hutchinson at snowman1049@gmail.com.
