

HALO Hub Max - Smart Control Panel with Built in Zigbee Hub

SKU: HALO-SHX

Description

Upgrade your smart home with the **HALO Hub Max**, an advanced and intuitive solution for seamless home automation. Designed for effortless control, this sleek device provides a **centralised hub** to manage your entire smart home ecosystem with ease.

Key Features:

- **Expansive Touchscreen Display:** The **10.1-inch Full HD touchscreen** (1920x1200 resolution) offers a smooth and user friendly experience, allowing you to monitor and control multiple smart devices from a single, centralised hub.
- **Integrated Zigbee Hub:** The **HALO Hub Max** features a built in Zigbee hub, allowing it to connect directly to Zigbee enabled HALO and Tuya smart devices without the need for any additional gateways. This ensures faster response times, improved reliability, and seamless local control across your smart home network.
- **Comprehensive Device Management:** Compatible with **Tuya ecosystem products**, the **HALO Hub Max** can control up to **20 different types of devices** and supports the addition of **100+ devices**, giving you complete control over your smart home setup.
- **Smart Scene & Automation Control:** Customise and automate routines to create the perfect environment for any occasion, whether it's adjusting lighting, climate settings, or security preferences.
- **Customisable Button Control:** The **physical buttons** can be programmed to activate **smart scenes, automations, or custom actions**, giving you ultimate flexibility in how you interact with your home.

- **Fits Standard Switch Pattress:** The **included backplate** is designed to fit seamlessly into a **standard UK or EU switch pattress**, making installation simple and hassle-free.
- **Dual Power Options:** Power the **HALO Hub Max** using either a **live and neutral wire connection** for a built-in wall installation **or with 12V via a Type-C cable**, offering versatile installation options to suit your setup.
- **Elegant & Modern Design:** A **sleek and contemporary** design that seamlessly blends with any interior, making it both a stylish and functional addition to your home.
- **Effortless Integration:** Works with a wide range of **Tuya-compatible smart devices**, bringing all your controls into one intuitive interface.

Take your smart home to the next level with the **HALO Hub Max**, a **powerful, easy to use, and efficient** way to manage your connected devices.
