2021 was a big year for LASA. We closed on two properties adjacent to us that will become part of our campaign to build affordable housing. Their purchases were made with grant funds and are not represented in these present figures.

DID YOU KNOW?

In order to afford a modest, two-bedroom apartment at fair market rent in Washington, full-time workers need to earn **\$31.33 per hour**. This is Washington's 2022 Housing Wage, revealed in a national report published in July, and is the **6th** highest state housing wage in the U.S.

Donor Spotlight

Make new friends but keep the old...

We wish to thank everyone who remembers us with an annual contribution and want to shine a spotlight on donors **who have been with us for at least 10 years and some for over 30!!!**

 they're mission driven ~ trust in the organization ~ seeing an impact
 having a personal connection to the cause ~ want to be part of something ~ tax benefits

Whatever your reason, we appreciate the trust you place in us to be a good steward.
