

## What a year!

## What's Happenin'

We rented the house behind us, giving us a temporary workspace while our office is being repaired.

## #5

Five minutes! How long it takes to walk to our temporary workspace.

## LASA BY THE NUMBERS

### #1

1 x 100 the Number of Goodie Bags handed out in Springbrook.

LASA partnered with Springbrook Connections to hand out meals and announce the Lakewood Rental Assistance Program.

Our 2019 Annual Report is online @ [LASApierce.org](http://LASApierce.org)

#2 Two households gifted us their stimulus checks!

We felt the love! Thank you! These gifts help cover administrative costs.

### #3 Three Cities

Lakewood, Tacoma and Fife, asked us to oversee their rental assistance programs. We brought on temporary workers while maintaining social distancing.

### #6 That's 6 x 10,000

Or \$60,000, which is the estimated cost of repairs to our Center. Just when we learned about social distancing at work, we lost half our work space due to a major plumbing fiasco.

Thank you for your support!

## #4

Four groups making masks for us.

We love our community!
