September 18, 2025

I am pleased to extend warm greetings to everyone attending the **Women's Empowerment and Preventive Health** event, hosted by *Reach the Un-Reached*.

As the Member of Parliament for *Brampton Centre*, I am proud to support initiatives that empower women and youth in our community. This event highlights the importance of reducing employment barriers, developing both soft and hard skills, connecting women with government resources, and inspiring young girls to explore meaningful career paths. Equally vital is promoting education on health and prevention, ensuring that women have the knowledge and tools to lead healthy, fulfilling lives.

I commend *Reach the Un-Reached* for their leadership in organizing this event and for their ongoing dedication to uplifting women and strengthening our community.

Together, we can continue to build a future that is inclusive, supportive, and full of opportunity.

Sincerely,

A handwritten signature in black ink that reads "A Sodhi".
