

Kingdom Cars and its dedicated volunteer staff donate many hours of personal time each month making preparations that allow Car Care Saturday to operate as a full service facility.

Our owner and founder highly respects each and every one of these volunteers, as these individuals have selflessly surrendered their personal weekend activities to come alongside you and your families. Our program is designed give you better understanding of how to prepare and maintain a budget, our mentor requirements are spur you on during those difficult times.

All we ask is to be true to yourself and our staff by doing your part in working towards financial freedom.

Upon acceptance into the program all repairs are considered a one time repair unless all terms are followed through.

1. It is mandatory to complete our financial program study and workbook within 30 days and complete the Monthly Budget Expenses worksheet (supplied by KC) to our office
2. Work with your local church and the Pastor that referred you toward working to obtain a mentor. If you do not have access to a church, you must receive approval to find one yourself.
