

*LumbarWear®  
LIVING and LOOKING SMART*

*a unique garment designed to  
improve health, well-being and visible appearance.  
Patented Technology  
X-Static Yarn*

*Barcelona, December*

*Be at your best with LUMBARWEAR core precision underwear. Using the latest high performance athletic technologies, our precision-fit seamless compression underwear is engineered to optimize and energize the body, from street to sport, work to weekend.*

*Designed with physiotherapy and ergonomic insights, LUMBARWEAR products immediately improve health, well-being and visible appearance. Every one, every day, everywhere.*

*Inspiration COMES from the sport category - specifically, the new compression garments designed for elite athletes. ERGONIMIC SUPPORT IN THE TRUNK AREA IS ESSENTIAL FOR THE MAINTANANCE OF THE UPRIGHT POSTURE, BACK PAIN MINIMIZATION AND INJURY PREVENTION.*

*A Technically-advanced compression garment developed to help THE WEARER perform. LUMBARWEAR IS scientifically designed to increase blood flow to and from the muscles in order to improve performance, reduce the risk of injury, and accelerate muscle recovery. once worn, you won't want to leave home without it.*

*FOR Active people of all ages, who are seeking a high quality product that is practical, hygienic, comfortable, pleasant to wear, easy to look after and affordable. With a seamless structure, providing just the right level of flexible yet firm compression that activates the torso muscles without causing muscle atrophy, it protects supports and alleviates discomfort in the lumbar region.*

*LumbarWear® employs proprio-receptive training concepts used in occupational and physical therapy to engage and strengthen core muscle groups. Improved abdominal strength, posture and stability relieves lower back pain preventing back injuries and achieving long-term back wellness.*

*Patented, LumbarWear® is designed to accompany its wearer day-in, day-out. Already achieving great success across various countries in Europe, it is fast becoming a backs best friend.*

*Obviously, the best guarantee is to see and test it for yourself!  
Thank you.*

*The LumbarWear® team.*
