

How to Download and Save PDF fillable forms

Taking time to prepare these forms the first year, is that in future years most of the data is retained. Next tax season, you simply press the **RED RESET Button** and everything that pertains to that new tax year is reset or cleared out. All the entries like Name, Address, Birthdate, Phone #, SSN, Dependent names, SSN, etc are all retained and no need to enter those again.

STEP 1: Open, work on it, and then Download it to your computer
