

E3 Mentee Application

Encourage. Elevate. Empower

What We Look for in a Mentee

E3 is designed for women who are ready to grow, connect, and step into their potential. You don't need to have everything figured out, you simply need the willingness to show up and invest in yourself. As a mentee, we look for women who:

- Embrace growth. Open to listening, learning, and exploring new perspectives.
- Honor commitment. Willingly dedicate time to monthly workshops and mentorship sessions.
- Value connection. Ready to build trust and form authentic relationships with mentors and peers.
- Take initiative. Apply what you learn and actively move toward meaningful change.
