INFORMATION CIRCULAR
(As at May 22, 2025, except as indicated)

This information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by the management of Masivo Silver Corp (the "Company") for use at the annual general meeting (the "Meeting") of its shareholders to be held on June 27, 2025 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to "the Company", "we" and "our" refer to **Masivo Silver Corp.** "Common Shares" means common shares without par value in the capital of the Company. "Beneficial Shareholders" means shareholders who do not hold Common Shares in their own name and "intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

Unless otherwise stated, all references to currency means lawful money of Canada. All references to "\$" means Canadian dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy (the "Proxy") are officers or directors of the Company (the "Management Proxyholders").

If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the designated individual or company in the Proxy, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.

Voting by Proxy

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) may wish to vote by proxy whether or not they are able to attend the Meeting in person.

Registered shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) using a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) using the Internet through the website of the Company's transfer agent at www.investorvote.com. Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting in the Chairman's discretion and the Chairman is under no obligation to accept or reject any particular late proxy.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company is not forwarding meeting materials directly to NOBOs. The Company is not using the "notice-and-access" delivery procedures recently established under Canadian securities legislation. The Company does intend to pay for an intermediary to deliver to OBOs the Proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a Voting Instruction Form ("**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the Internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Business Corporations Act (*British Columbia*) ("**BCA**") as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court

for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Investor Services Inc. or at the address of the registered office of the Company at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as set out herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, no proposed nominee of management of the Company for election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed May 22, 2025 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Common Shares are listed for trading on the TSX Venture Exchange (the "**TSXV**"). As of the Record Date, there were 42,367,367 Common Shares issued and outstanding, each carrying the right to one vote. Of these Common Shares, 1,334,739 are held in escrow.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for

election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The term of office of each of the current directors of the Company will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the BCA, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected. In the absence of instructions to the contrary, the enclosed Proxy will be voted for the nominees herein listed.

Shareholders will be asked to approve an ordinary resolution that the number of directors elected be fixed at three (3).

CORPORATE GOVERNANCE

A summary of the responsibilities and activities and the membership of each of the Committees is set out below.

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain

cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Independence of Members of Board

Directors are considered to be independent if they have no direct or indirect material relationship with the Company, based on the tests for independence set forth in NI 52-110. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Board is responsible for monitoring the Company's officers who, in turn, are responsible for the maintenance of internal controls and management information systems.

Two members of the proposed Board are independent directors, namely Robert T. Hall and Guillermo De Cima. David Coburn is not independent as he is the President and CEO of the Company.

Management Supervision by Board

The operations of the Company do not support a large Board and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. Further supervision is performed through the Audit Committee which is composed of a majority of independent directors who meet with the Company's auditors.

Directorships

The directors and nominees for director of the Company are not currently directors of any other reporting issuers.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with an orientation to help understand the Company's business, technology and industry and on the responsibilities of directors. This is achieved by providing directors with:

- information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;

- access to recent, publicly filed documents of the Company;
- access to management;
- access to legal counsel in the event of any questions relating to the Company's compliance and other obligations; and
- internal presentations prepared by the Company personnel on matters relevant to the Company's business and operations.

Board members are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Company; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. The Board has responsibility for identifying potential Board candidates by assessing the needs of the Board for required skills, expertise, independence and other factors. Competencies and skills that the Board will consider includes the appropriate size of the Board to facilitate effective decision-making and to assess the same on a periodic basis. In the event a new director is required or proposed, the Board will hold a Board meeting.

Compensation

The Company has not established a compensation committee and did not retain professional executive compensation consultants or advisors in the most recently completed financial year to assist in determining compensation for the directors and officers. The Board, as a whole, determines compensation for the directors and CEO. Further information regarding the Company's process for determining compensation appears below under "*Statement of Executive Compensation - Compensation Discussion and Analysis*".

Other Board Committees

The Company has no committees other than the Audit Committee. A copy of the Audit Committee Charter (as defined herein) is attached to this Information Circular as Schedule "A" hereto.

Assessments

The Board conducts informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees to satisfy itself that the Board, its committees and its directors are performing effectively.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The compensation of the CEO and CFO of the Company has been established with a view to attracting and retaining executives critical to the Company's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards generally and competitive within the technology industry.

Compensation of the Company's Named Executive Officers is comprised of a base salary, and the grant of incentive stock options ("**Options**") pursuant to the Plan (as defined herein) and performance warrants to purchase Common Shares under the Company's compensation incentive plan. Through its executive compensation practices, the Company seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Company's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Company's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Company's success, and align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

In making its determinations regarding the various elements of executive compensation, the Board does not benchmark its executive compensation program, but from time to time does review compensation practices of companies of similar size and stage of development to ensure the compensation paid is competitive within the Company's industry and geographic location while taking into account the financial and other resources of the Company.

Within the context of the overall objectives of the Company's compensation practices, the Company determined the specific amounts of compensation to be paid to each of its executives during the year ended March 31, 2024 based on a number of factors, including the performance of the Company's executives during the fiscal year, the roles and responsibilities of the Company's executives, the individual experience and skills of, and expected contributions from, the Company's executives, the Company's executives' historical compensation and performance within the Company, the financial and other resources of the Company, and any contractual commitments the Company has made to its executives regarding compensation.

The Company is growing rapidly but at its current size and level of activity, the Board is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through Board meetings during which financial and other information of the Company are reviewed. Although the Board does not use a formal practice to evaluate the risks associated with the Company's compensation policies and practices, the Board has no reason to believe that any risks that arise from the Company's compensation policies and practices are reasonably likely to have a material adverse effect on the Company. Accordingly, the Company does not expect to make any significant changes to its compensation policies and practices in the next financial year.

Elements of Executive Compensation

The Company's executive compensation policy consists of an annual base salary and long-term incentives in the form of performance warrants, and Options granted under the Company's incentive 10% rolling stock option plan (the "**Plan**").

Base Salary

In the Board's view, paying base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates is a first step to attracting and retaining qualified and effective executives.

Bonus Incentive Compensation

The Board will consider executive bonus compensation dependent upon the Company meeting its strategic objectives and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon compensation levels based on recommendations of the CEO. Such recommendations are generally based on information provided by issuers that are similar in size and scope to the Company's operations.

Equity Participation – Option-based Awards

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Options are granted pursuant to the Plan. Options are granted to executives and employees at the discretion of the Board taking into account a number of factors, including the amount and term of Options previously granted, base salary and bonuses and competitive factors. The amounts and terms of Options granted are determined, set and amended at the discretion of the Board, based on recommendations put forward by the CEO. Due to the Company's limited financial resources, the Company utilizes Option grants to maintain executive motivation.

Actions, Decisions or Policy Changes

The Company has not established a compensation committee and did not retain professional executive compensation consultants in the most recently completed financial year. Given the evolving nature of the Company's business, the Board continues to review the overall compensation plan for senior management so as to continue to address the objectives identified above. The Company did not implement any new actions, decisions or policies after the end of the most recently completed financial year that would affect the understanding of the NEOs' (as defined herein) compensation the most recently completed financial year.

Option Based Awards

The Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of Options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding Options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange (the "**Exchange**"), and closely align the interests of the executive officers with the interests of shareholders. See "*Particulars of Other Matters to Be Acted Upon – Approval of Stock Option Plan*" for further details regarding the terms of the Plan.

Compensation Governance

The Company has not established a compensation committee and did not retain professional executive compensation consultants or advisors in the most recently completed financial year to assist in determining compensation for the directors and officers. The Board, as a whole, determines compensation for the directors and NEOs (as defined herein), and has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards. The Stock Option Plan is administered by the Board, which, from time to time, grants equity-based compensation to Eligible Persons after considering their present and potential contributions and other relevant factors.

Hedging of Economic Risks in the Company's Securities

The Company has not adopted a policy prohibiting directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by directors or officers. However, the Company is not aware of any directors or officers having entered into this type of transaction.

Named Executive Officers Compensation

3. GRANT OF OPTIONS

3.1 Option Terms

The Board may from time to time authorize the issue of Options to Eligible Persons. Where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may also be issued Options. The Option Price under each Option shall be not less than the Market Price on the Grant Date less the applicable discount permitted under the policies of the Exchanges or, if the Shares are not

listed on any Exchange, less 25%. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date, subject to the operation of section 4.1. Options shall not be assignable or transferable by the Optionee.

3.2 Limits on Shares Issuable on Exercise of Options

The maximum aggregate number of Shares that are issuable pursuant to security based compensation granted or issued under the Plan and all of the Company's other previously established or proposed security based compensation plans (to which the following limits apply under Exchange policies):

- (a) to all Optionees as a group (including for greater certainty Insiders (as a group)) shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis at any point in time;
- (b) to Insiders (as a group) in any 12-month period shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, unless the Company has obtained the requisite disinterested shareholder approval pursuant to applicable Exchange policies;
- (c) to any one Optionee (including, where permitted under applicable policies of the Exchanges, any companies that are wholly owned by such Optionee) in any 12-month period shall not exceed 5% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, unless the Company has obtained the requisite disinterested shareholder approval pursuant to applicable Exchange policies.
- (d) to any one Consultant in any 12-month period shall not exceed 2% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date;
- (e) to Investor Relations Service Providers (as a group) in any 12-month period shall not exceed 2% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, and Investor Relations Service Providers shall not be eligible to receive any security based compensation other than Options if the Shares are listed on the TSX Venture Exchange at the time of any issuance or grant; and
- (f) to Eligible Charitable Organizations (as a group) shall not exceed 1% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company and the Optionee are representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan. All Options shall be subject to any applicable resale restrictions pursuant to applicable securities laws. In addition, Options and Option Shares that are subject to the Exchange Hold Period pursuant to TSXV Policy 1.1 must be legended with the Exchange Hold Period commencing on the Grant Date, and the Option Agreement shall contain any applicable resale restriction or Exchange Hold Period.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to sections 4.3, 4.4 and 4.5, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. Pacific Time

on the Expiry Date and shall not be exercisable thereafter. In the event that the Expiry Date of an Option falls during a trading blackout period imposed by the Company (the “**Blackout Period**”), the Expiry Date of such Option shall automatically be extended to a date which is ten (10) trading days following the end of such Blackout Period (the “**Extension Period**”), subject to no cease trade order being in place under applicable securities laws; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Option Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Option Share. Upon notice and payment there will be a binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company or such other method of cash payment as is acceptable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque or other method of cash payment, as the case may be, is not honoured upon presentation in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Investor Relations Service Providers, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date;

(b) Termination For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

(d) Spin-Out Transactions

If pursuant to the operation of section 5.3(c) an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Company**") in respect of the Optionee's Options (the "**Subject Options**"), subject to the prior approval of the Exchanges, the New Options shall expire on the earlier of: (i) the Expiry Date of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to sub-paragraph 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New Company's stock option plan that correspond to section 4.4(a), (b) or (c) hereof; and (iv) the date that is one (1) year after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Eligible Charitable Organizations

If the Optionee ceases to be an Eligible Person due to no longer being an Eligible Charitable Organization, the Options then held by that Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the date the Optionee ceases to be an Eligible Person.

Notwithstanding the foregoing, the Board may, in its sole discretion if it determines such is in the best interests of the Company and subject to the policies of the Exchanges, extend the early Expiry Date (as set out above in this section 4.4) of any Option held by an Optionee who ceases to be an Eligible Person to a later date within a reasonable period, subject to such period not exceeding 12 months from the date the Optionee ceases to be an Eligible Person.

For purposes of this section 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this section 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in

part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges with respect to Investor Relations Service Providers) all Option Shares subject to such Offer will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to section 4.3 shall be reinstated. If any Option Shares are returned to the Company under this section 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer and subject to the approval of the Exchanges with respect to Investor Relations Service Providers, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days' notice is required and more than 30 days of notice is not required.

4.7 Compulsory Acquisition or Going Private Transaction

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Option Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Option Shares to the take-over bid.

4.8 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges with respect to Investor Relations Service Providers or if otherwise necessary.

4.9 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company

or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.10 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Subject to the prior approval of the Exchanges (other than in the case of a Share subdivision or consolidation), whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Share Reorganization.

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;

- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Subject to the prior approval of the Exchanges, whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;
- (c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or
- (d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he/she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he/she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he/she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they

decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of sections 5.1, 5.2 or 5.3 is subject to the prior approval of the Exchanges and any other governmental authority having jurisdiction. Notwithstanding the foregoing, adjustments pursuant to section 5.1 due to a Share subdivision or consolidation do not require prior TSX Venture Exchange approval.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective upon the approval of the Plan by the Board and the Exchange or any regulatory authority having jurisdiction over the securities of the Company and shall be ratified thereafter by the shareholders of the Company by way of an ordinary resolution at the next duly convened meeting of the shareholders of the Company. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price, or any extension of the term, of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. In addition, any amendment to an Option (including any cancellation of an Option and subsequent grant of a new Option to the same Person within one year) that results in a benefit to an Insider of the Company at the time of amendment will be subject to disinterested shareholder approval (as required by the Exchanges). The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Board shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4 and subject to any required prior Exchange approval, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding Taxes

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that the Optionee pay to the Company, in addition to and in the same manner as the exercise price for the Shares, such amount as the Company is obliged to remit to the relevant tax authority in respect of the

exercise of the Option. Alternatively, the Company shall have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares acquired upon exercise of any Option, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee by the Company, whether or not such amounts are payable under the Plan. For greater certainty, the application of this section 6.4 to any exercise of an Option shall not conflict with the policies of the Exchanges that are in effect at the relevant time and the Company will obtain prior Exchange acceptance and/or shareholder approval of any application of this section 6.4 if required pursuant to such policies.

6.5 Amendments to the Plan

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the shareholders (or disinterested shareholders, if required), Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment or Transfer

No Optionee may assign or transfer any of his or her rights under the Plan or any option granted thereunder. Notwithstanding the foregoing, where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may be issued Options.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Previously Granted Options

Stock options which are outstanding under pre-existing stock option plan(s) of the Company as of the effective date of this Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of this Plan except to the extent that the terms of this Plan are more restrictive than the terms of such pre-existing plan(s) under which such stock options were originally granted, in which case the applicable pre-existing plan(s) shall govern, provided that any stock options

granted, issued or amended after November 23, 2021 must comply with TSXV Policy 4.4 - *Incentive Stock Options (as at November 24, 2021)*.

6.12 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.13 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of British Columbia.

6.14 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.15 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

Approved by the Board of Directors of the Company effective April 6, 2022.

Approved by the shareholders of the Company on May 13, 2022.
