

# UAW Local 182 Chaplaincy Committee

Brothers & Sisters of UAW Local 182,

Many of us still struggle day to day since the COVID-19 pandemic, reaching out to others during these very difficult and trying times can have a positive impact.

During the Pandemic, temporary layoffs and various trials, not everyone feels the joy and happiness that goes on around them. Many of us hide our discomfort and pain.

Circumstances like these make it rewarding to help someone else's needs. It could be as simple as just needing someone to talk to.

Your UAW Local 182 Chaplaincy Committee is dedicated and committed to serving the needs of the Membership of UAW Local 182 with integrity, honesty and attentiveness. All communication will be held in the strictest confidence.

If you yourself, or anyone you might know is seeking comfort or encouragement, please do not hesitate to call or email UAW Local 182 Chaplaincy Committee.
