

## Welcome to Ford's learning experience platform, Degreed!

Degreed connects you to a **large collection of personal and professional learning content** both from inside and outside of Ford. Get access to premium courses, TED Talks, articles, videos, podcasts, and more. All in one place.

Degreed allows you to track all the learning you do — the courses you take, the books and articles you read, even the videos you watch. You can save items for later, revisit your learning collection, and watch your progress and skills grow in your personalized dashboard!

### **What's in It for You?**

- Find what you need to learn and build your career. Fast.
- Learn what you need to do your job. When, where and how you want to from any device.
- Rate, recommend and share content with others to build your network.
- Feed your curiosity – you have the freedom to learn about whatever you're interested in!

**Visit the web address to login to Degreed:** <https://degreed.com/?orgsso=ford>

1. Log in with your **Ford CDSID and password**. This is the same password you use to login and view your paystubs.
2. If you are unable to remember your password, click “forgot password” to answer the security questions and login.
3. Follow the prompts to start **building your profile**.
4. Add your role, skills, and/or topics you want to learn more about and to create personalized learning recommendations based on your choices and proficiency self-rating.
5. Based on the skills or topics selected, you may be informed of people with similar interests. Use the **+ Button** to follow them, other colleagues and groups from around the world to see what they're learning.

**We recommend downloading the Degreed Mobile App to make learning on the go easier than ever!** Available in the Apple App Store or Google Play Store.

If you use Degreed.com instead of the URL above, you'll need to type in your **Ford CDSID followed by @ford.com**. Then click “**Continue with SSO**” which will take you to the Ford login page.
