If the Contractor observes that the drawings or specifications are at variance with any law, ordinance, rule or regulation, MLP shall be notified promptly in writing, and any necessary changes shall be made pursuant to MLP's instructions or change order. If the Contractor performs any work knowing it to be contrary to such Laws, Contractor shall bear all costs of required changes and be liable to MLP for all damages arising therefrom.

Contractor hereby certifies that all employees to be employed at the worksite will have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration at the time the employee begins work and must furnish documentation, prior to commencing the work under the Agreement, of successful completion of said course with the first certified payroll report for each employee.

TAXES

MLP is an organization exempt from the payment of state and local taxes on tangible property and services and will not reimburse the Contractor for such taxes incurred by the Contractor in the performance of the Agreement.

RISK OF LOSS

Risk of loss and/or liability for damages for any of the materials or equipment specified in the Agreement shall remain with the Contractor until such items are delivered and accepted by MLP. All deliveries shall be F.O.B.[insert town] Massachusetts unless otherwise designated by MLP in the Agreement.

IDENTIFICATION

The Contractor shall properly identify each shipment, by Purchase Order or Contract Number, commodity description and packing list. All items, packages, etc. will have clearly identifiable external markings or tags for ease of identification.

ASSIGNMENT

Neither the Agreement nor any payment due or to become due hereunder shall be assignable by the Contractor without the prior written consent of MLP. Any such assignment(s) without MLP's prior written consent shall be void. Should MLP agree to an assignment, the Contractor shall remain fully responsible for the acts and omissions of the Contractor's assignee and the Contractor shall indemnify and hold MLP harmless from any and all loss and expense arising out of the assignment.

RECORDS/AUDIT

The Contractor shall, at its own expense, keep and maintain complete records and books of account of its costs and expenses relating to the work under the Agreement in accordance with generally accepted accounting practices. Contractor shall maintain such records for at least six (6) years after final payment, which in reasonable detail accurately and fairly reflect the dispositions of the Contractor under this Agreement. Until the expiration of six (6) years after final payment, MLP and any other public official authorized by law shall have the right to examine such records that directly pertain to and involve transactions relating to Contractor under the Agreement. Contractor hereby grants MLP or its authorized representative permission to audit such records and books of account at the Contractor's usual place of business at reasonable times.

CONFIDENTIAL
INFORMATION

Any of MLP's drawings, specifications or technical information used by the Contractor hereunder, shall remain the property of MLP and shall be held in confidence by the Contractor and shall not be reproduced or disclosed to others without the written permission of MLP.

WAIVER

In the event MLP fails to insist on strict performance of any of the terms and conditions or fails to exercise any of its rights and privileges hereunder, such a failure shall not constitute a waiver of such terms, conditions, rights or privileges.

COMPLETION OF CONTRACT

The Agreement will not be considered complete until all specifications and requirements have been met and accepted by MLP. These requirements include, but are not limited to, MLP's acceptance of all documentation, drawings, manuals, plans and publications, as applicable.

PAYMENT TERMS

MLP Payment terms are net 30 days upon receipt of invoice after receipt and acceptance of all goods or services to be furnished under the Agreement. The Parties shall immediately make every effort to settle the disputed portion of the invoice.

SECTION J

PREVAILING WAGE SCHEDULE

SECTION K

SUPPLEMENTARY TERMS AND CONDITIONS TO AGREEMENT

INSURANCE Without limiting any other obligation or liability of the Contractor, sub-Contractor or any of its subcontractors or anyone employed by them directly or indirectly, agrees to obtain and maintain during the term of the Agreement, at its own expense with companies acceptable to MLP, insurance coverage of the type and amount (limits) as follows below:

1. General Liability for the Project of at least \$1,000,000 Bodily Injury and Property Damage Liability, Combined Single Limit with a \$1,000,000 Annual Aggregate Limit. Products and Completed Operations shall be maintained for 2 years after the completion of the Work.

2. Automobile Liability for the Project (applicable for any contractor who has an automobile operating exposure) of at least \$500,000 per person/\$1,000,000 Occurance Bodily Injury and \$1,000,000 Property Damage per accident.

3. Umbrella Liability for the Project of at least \$500,000 / occurrence, \$1,000,000 aggregate.

Certificates of Insurance acceptable to MLP shall be filed with the MLP prior to commencement of any work on Owner's premises. These Certificates shall contain a provision that coverages afforded under the policies will not be cancelled until at least thirty days prior written notice has been given to MLP. Certificates of renewal shall be delivered to MLP at least fifteen (15) days prior to the expiration date of any insurance policy. The Contractor shall not commence any service until all insurance required hereunder shall have been obtained and approved by MLP, and the Contractor shall not permit any subcontractor to commence work until all insurance required of them shall have been similarly obtained and approved. Coverage shall remain effective for a period of two (2) years after termination of the Agreement for any reason.

In addition, the Contractor will comply with all federal and state workers compensation or similar laws that impose any charge or liability on MLP in connection with this Agreement. The Contractor will provide workers' compensation insurance with not less than the statutorily required limits covering all of its employees in accordance with such laws, and, in addition, Employer's Liability insurance and a waiver of subrogation in favor of MLP. The limit for Employer's Liability may be not less than \$1 million per accident and must be a separate policy if not included with Worker's Compensation coverage. Evidence of the insurance will be in the form of a certificate issued by Contractor's insurance carriers.

Contractor's liability coverage shall be endorsed naming MLP as an "Additional Insured" and certificate(s) for the same shall be indicated on their face by the words: "MLP is named as an Additional Insured." Such policies shall also be endorsed to contain waivers of insurer's subrogation rights against MLP by including the following language or similar language on the certificate: "The Contractor waives its right of subrogation against and in favor of MLP, as an Additional Insured, which may arise

by reason of payment of a claim under the policy.” Contractor shall indemnify and hold MLP harmless for failure to effect such waiver(s). Certificates utilizing the ACORD form shall also clearly evidence in the blank “Description of Operations” or “other” block that “Contractual Liability Coverage is included in the General Liability coverage and has not been excluded,” or words that mean or have similar effect.

The required coverage shall be primary to any other coverage available to Owner and shall not be deemed to limit Contractor’s liability under this Agreement. Contractor shall be liable for all deductible amounts from such insurance and shall hold MLP harmless therefrom. Failure of Contractor or any of its subcontractors or assigns or any other party for which it is legally responsible, to maintain required coverage shall not relieve any of them of any responsibility, obligation or liability arising out of the Agreement.

Nothing contained in this provisions is to be construed as limiting the extent of the Contractor’s obligations to indemnify and hold MLP harmless as set forth in this Agreement.

INDEMNIFICATION Contractor, its employees, agents, subcontractors and others for whose acts any of them may be legally responsible, shall indemnify and hold harmless MLP, its commissioners, managers, engineers, consultants, agents and employees from and against any and all claims, demands, suits, liability, causes of action, fines, penalties, court costs, damages, losses and expenses (including reasonable attorneys’ fees), arising out of or resulting from, occasioned by or in connection with the performance or non-performance of its obligations under the Agreement, on account of any damages, loss or destruction of property or personal injury, including death, to any person, caused in whole or in part by any negligent, grossly negligent, or intentional act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder, and regardless of whether the loss, damage, destruction or injury resulting from same occurs after Contractor has left the property of MLP; or attributable to the release or disposal of or exposure to persons of Contractor’s Hazardous Materials, as defined herein; provided however, that this indemnification obligation shall not apply to any claims to the extent arising from the gross negligence or intentionally wrongful acts or omissions of MLP.

For the purposes of this Agreement, “Contractor’s Hazardous Materials” means any hazardous, toxic or polluting substance, material, chemical, waste or contaminant, or residues thereof, as defined or regulated pursuant to all applicable Laws as may be amended from time to time, that are brought on to MLP’s property, furnished, applied, used, stored or released or otherwise introduced into or onto MLP’s property by Contractor or any subcontractor or any person for whom Contractor is legally responsible.

Contractor’s indemnification obligations shall survive termination of this Agreement for any reason.

PAYMENT BOND Simultaneously with delivery of the executed Agreement, the Contractor shall furnish a surety bond or bonds as security for the payment of all persons performing labor and supplying materials under this Agreement as specified in **Section G, PAYMENT BOND** of Owner’s IFB # _____ and in an amount as described therein (attached to this Agreement as “Exhibit D”).

Prevailing Wage Rates

As determined by the Director under the provisions of the
Massachusetts General Laws, Chapter 149, Sections 26 to 27H

LAUREN JONES
Secretary

MICHAEL FLANAGAN
Director

Awarding Authority: Groveland Municipal Light Department
Contract Number: **City/Town:** GROVELAND
Description of Work: Replace metal siding, trim and flashing on side of building. Remove existing garage doors and replace with increased sized units
Job Location: 944 Salem Street

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- **The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor.** For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The annual update requirement is not applicable to 27F "rental of equipment" contracts. **The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.**
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker's rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
