

TOWN OF GROVELAND

Municipal Light Department

944 Salem Street, Suite A
Groveland, Massachusetts 01834
(P) 978-372-1671 (F) 978-469-5009

The Groveland Municipal Light Department is accepting applications for (1) First Class, Second Class, Third Class or Apprentice Line Worker.

The primary duties of the position are, under the supervision of the General Manager, Line Foreman, or Lead Lineworker:

- to safely install, maintain and repair overhead and underground conductors that may be energized at ranges between 13,800V – 120V
- erect and set poles
- install and replace transformers, switches and other devices
- follow, comprehend and execute system switching orders
- have the ability to climb poles and operate bucket trucks and other aerial lift equipment as well as pass the appropriate hoisting/CDL tests
- maintain street lighting and private area lights
- participate as part of a response team to weather related events throughout New England, the contiguous United States, and it's territories
- Qualified line workers will participate in a stand-by on call rotation to respond to emergencies.
- Any other duties as assigned by the General Manager/Line Foreman or Lead Lineman

Candidates with a high school diploma or GED, relevant vocational/technical training, and previous line work experience preferred. Other relevant experience also considered. First and Second class positions require High Voltage Line Worker Certification and/or active training similar to that provided by NEPPA. Possession of or ability to attain a valid Class B MA Commercial Driver's License within 6 months required; Class A License expected to be obtained within 18 months of hire. Massachusetts 1B Hoisting Engineers License is also required to be obtained within 6 months. Position is subject to federal drug and alcohol testing requirements.

This is a non-union position. The salary range is \$25.20 to \$46.37 per hour, including benefits.

Resumes, along with a cover letter and a completed application can be mailed or dropped off at the Groveland Municipal Light Department, 944 Salem Street, Suite A, Groveland, MA 01834 to the attention of Kevin Snow, or via email to ksnow@grovelandlight.com.
