Groveland Energy Efficient Weatherization Incentive Program

Eligibility Requirements & Restrictions

(Applications that don't meet criteria will be rejected or delayed in processing.)

- A recent Energy Audit (no more than 4 years ago) with either Energy New England or other agency. Call ENE at 888-772-4242 or visit ee.ene.org to schedule a free energy assessment.
- Qualifying measures are those recommended from the Energy Audit.
- Applicant must have an active account with GMLD for at least 6 months, and with no arrears.
- If you aren't completing the work yourself it must be completed by a licensed contractor.
- \$500 rebate towards any of the insulation services, with a max of \$1000, combined.
- Offer is subject to funding availability and can expire at any time. GMLD will rebate 50% of the total job cost for any single measure or combination of measures up to \$1000, per household.
- Work, materials, and any inspections must have been *purchased* between 1/1/20 - 12/31/20. Applications can be submitted up to 1/31/21.
