**PROCEDURES TO RAISE A COMPLAINT
TO THE RV STORAGE COMMITTEE**

This is a sub-committee to the Board of Directors

At the

ELKWATER PARK GOLF CLUB

August, 2018

This document explains the procedures of the sub-committee that has been set up by our Board of Directors regarding the RV Storage Units kept on the property of the Elkwater Park Golf Club.

The RV Storage Unit Committee will be referred to as “The Committee” for the duration of this document. The Board of Directors will be referred to as “The Board” for the duration of this document.

Procedures are set as follows:

1. Anyone who has a disagreement with a neighbor is asked to approach the neighbor and try to resolve the problem. Often a civil conversation will come up with a solution, quick and easy.
2. A third person may not make a complaint on behalf of another camper. The complaint must come straight from the complainant, and obviously cannot be anonymous
3. If there can be no resolution between the two parties and the problem continues, then the Committee may be contacted for arbitration. The person making the complaint should email any one of the Committee members explaining their complaint and what has been done to resolve the situation already. No other form of communication will be accepted. The clubhouse and grounds workers cannot help you, so please do not go to them. The Committee will then contact the other members by forwarding the email submitted.
4. At that time there will be a meeting set up between the two parties plus a minimum of 3 Committee members, for a minimum total of 5 people, to talk with the parties about the problem. If nothing is resolved at this meeting then the Committee members will make a determination. Should either the complaining party or the defending party not be willing to meet with the Committee, then the decision will automatically revert to the opposing party.
5. Finally, a decision will be made by the 3 Committee members who attended the meeting with the complainants and a decision will be sent to the appropriate people via email.

We wish to be fair to all and give everyone a chance to place or answer a complaint with the knowledge that it will be dealt with as above.

Thank you.
