ACT 6 - With us all members must proclaim their Nationality and we are teaching our people their Nationality and their Divine Creed that they must know that they are part and parcel of this Said Government, and know that they are not Negroes, Colored Folks, Black People or Ethiopians, because these names were given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery, but this is a new era of time now, and all men now must proclaim their free national name to be recognized by the government in which they live and the nations of the earth, this is the reason why Allah the Great God of the Universe ordained Noble Drew Ali, the Prophet to redeem his people from their sinful ways. The Moorish Americans are the Descendants of the Ancient Moabites whom inhabited the North Western and South Western shores of Africa.

I — from the creator of the universe. Representing Mother and Child, from hence you came.
