

# Ultimate Guide: Tips & Tricks to Crack Interviews

## 1. Know the Company

Research the company's mission, values, recent news, and job description thoroughly. Tailor your answers to align with their culture and goals.

## 2. Master Your Resume

Know every detail on your resume. Be ready to talk in-depth about your experiences, achievements, and the value you brought.

## 3. Practice Common Questions

Prepare answers for common questions like 'Tell me about yourself', 'Why should we hire you?', and 'Describe a challenge you faced'. Use the STAR method.

## 4. Show Enthusiasm

Passion stands out. Show genuine interest in the company, the role, and your future in it.

## 5. Ask Insightful Questions

Always have 2-3 questions ready to ask the interviewer. Focus on growth, challenges, or the team's culture.

## 6. Dress the Part

Dress professionally and appropriately based on the company's culture. First impressions matter.

## 7. Body Language

Maintain eye contact, sit up straight, smile when appropriate, and avoid nervous habits.

## 8. Be Honest

Don't exaggerate skills. If you don't know something, admit it and express your willingness to learn.

## 9. Follow Up

Send a thank-you email within 24 hours. Reaffirm your interest and gratitude for the opportunity.

## **10. Stay Calm and Confident**

Breathe. Don't rush your answers. It's okay to pause, collect your thoughts, and deliver with clarity.
