DEALER IDENTIFICATION: When you pay you will be given two wristbands which must be worn for the entire weekend for re-entry through the gates. Additional or replacement arm bands can be purchased \$4.00 each at the Flea Market office. Each vendor will receive one free parking permit, any extra will be \$5.00 each. Dealers may park their vehicles within the confines of their spaces.

Absolutely NO parking on other vendor spaces. If the vehicle extends into the roadway or infringes on someone else's space, you will be asked to move the vehicle to the vendor parking area.

NOTES:

1. When setting up for the event do not go over your allotment of space, which includes tents, trailer tongue, truck hitch, vehicle, camper, trailer, merchandise or any other items. This does cause conflict overall. If your tent/items extend over your allotted space and you do not fix the problem, you will be asked to leave and no refund will be issued.
2. If you have an empty space beside you, do not park your vehicle in it. If that vendor shows up, your vehicle will be towed at your expense. You can come to the Flea Market office to see if that space is available. If it is, you can rent it for that weekend. This rule also applies for any items that you set out for sale as well. **ONLY use the space(s) that you have paid to use.**
3. Please be respectful of your neighbors and clean up around your area and after yourself, DO NOT LEAVE TRASH LAYING AROUND

Thank you for being respectful to our facility and your fellow vendors. I personally would like to thank each one of you for coming and being part of our show. You are what makes our flea market a great success.

Thank you,

Flea Market Manager
