

Supported Community Connections

April 2026

Spring is in the Air!

Reminders - April weather can range from really warm to SNOW (maybe not this year). If it is determined driving is not safe, we may have to cancel an activity. SCC staff will call you directly to notify you of a cancellation.

- Please remember that we get a lot of requests to go on activities and we only have so many spaces. For all paid events, **we can only hold your space when your fee is paid.** We suggest you choose your activities for the month and make a check out to Elevated Supports, so you do not have to worry about it all month! **Time listed on activity calendar is the estimated time of pickups.** Staff will keep in contact with participants as pickups begin and progress.
