

Supported Community Connections

June 2026

Summer is here! Please consider the following:

If the weather is bad, we may have to cancel an activity due to safety concerns. An SCC staff member will call you directly to notify you of a cancellation.

WATERWORLD! This year we will have staff available to go on various days throughout the season. Guest passes are available for \$25 (until gone) for any SCC participants who would like to purchase a day pass to try it out. If you are a season ticket holder, staff will be reaching out to you to determine what days work best with your schedule.

- Please remember that we get a lot of requests to go on activities and we only have so many spaces. For all paid events, **we can only hold your space when your fee is paid.** We suggest you choose your activities for the month and make a check out to Elevated Supports, so you do not have to worry about it all month! **Time listed on activity calendar is the estimated time of pickups.** Staff will keep in contact with participants as pickups begin and progress.
- **Last minute cancellations** –We are holding spaces for our events and have experienced many last - minute cancellations. We understand things come up but ask everyone be respectful to the planning and time it takes to organize group activities and that you notify SCC staff as soon as possible.
- **Appropriate supplies** – SUNSCREEN – HAT – WATER BOTTLE please...SCC staff will contact you before the event to confirm attendance and notify you of what you will need to bring on activity. Please note that for safety reasons, if you do not bring the appropriate items staff has requested and it is deemed a health/safety risk, SCC staff will not be able to take you on the activity (examples: warm jacket (cold weather) or water bottle (walking activity/warm weather). Your safety is our primary concern, and we want you to be safe, comfortable and have a good time!

Camping Opportunity! During the week of June 15-19th, we have two campsites reserved at Reverends Ridge in Golden Gate State Park. These are staff supported camping nights and we have all the camping supplies needed. If you are interested in trying out camping without worrying about having the supplies, please reach out Leigh directly at 720.417.3214.
