

## Supported Community Connections

November 2025

### Happy Thanksgiving Season!

*This Thanksgiving, we are thankful for the chance to connect with others, share kindness, and celebrate gratitude together in community.*

#### Please consider the following:

Please remember that we have a large participation base for our SCC program and only have so many spaces. For all paid events, **we can only hold your space when your fee is paid.** We suggest you choose your activities for the month and make a check out to Elevated Supports, so you do not have to worry about it all month! **Time listed on activity calendar is the estimated time of pickups and may change due to unforeseen circumstances.** Staff will keep in contact with participants as pickups begin and progress.

**Appropriate supplies** – SCC staff will contact you before the event to confirm attendance and notify you of what you will need to bring on activity. Please note that for safety reasons, if you do not bring the appropriate items staff has requested and it is deemed a health/safety risk, SCC staff will not be able to take you on the activity (examples: warm jacket (cold weather) or water bottle (walking activity/warm weather). Your safety is our primary concern, and we want you to be safe, comfortable and have a good time!
