Gardman is the most comprehensive brand of the World Source Partners (WSP) offering. As a key supplier of garden and wild bird care products to the U.S. gardening market for the last 20 years, Gardman understands the core categories that drive sales. World Source Partners is in close partnership with Gardman UK, the #1 gardening brand in England, enabling us to stay one step ahead of the market by watching trends in home décor, vegetable gardening, and wild bird care.

Key categories include growing, landscaping, garden décor, and wild bird care, and our impactful in-store merchandising and packaging also contribute to strong brand appeal.

Gardman "SALES BOOSTERS" are a proven and effective way of building sales at the retail level. When we introduced the concept, our goal was to provide independent dealers with an opportunity to capture market share while maintaining margins.

The items offered on these pages are among the best sellers in our line. They were not selected based upon any criteria other than the fact that they are proven top sellers and offer incredible value for the price.

The Sales Boosters enable Gardman dealers to offer great promotions such as these year-round, not just once a season. Each sales booster is offered as a stand-alone deal that is sold as is.
