

PerFect Amendment™

The PerFect Soil Additive

0—0—0

For Greenhouse, Nursery, Turf Grass, and Agricultural Use

Contains a concentrated patented Streptomyces on an iron humate & humic acid carrier.

Guaranteed Analysis:

Iron (Fe)15%

Derived from Iron Humate

Also Contains Non-Plantfood Ingredient:

Humic Acid2%

Derived from decomposed plant residue

Streptomyces*0.013% (by wt.)

*Contains a minimum of 5×10^5 colony forming units per gram

- Enhances root development and plant vitality
- Long term greening.

Greenhouse and Nurseries Potting Soil Mix: Use in greenhouses, glass houses, shade houses, enclosed nurseries, and outdoor field grown and container nursery plants, including perennials, ornamentals, trees, seedlings, ornamental grasses, all types of hardwood and softwood cuttings, palms, foliage plants, cut flowers, cut foliage and ferns, plugs, bench or bed grown plants, vegetables, and herbs.

Evenly mix 5 lbs of "PerFect Amendment" per cubic yard of growing/planting media. Re-apply to growing/planting media when repotting.

Turf Grass: For General maintenance, evenly apply 4 lbs of "PerFect Amendment" per 1,000 sq ft of turf grass. For problem areas evenly apply 9 lbs of "PerFect Amendment" per 1,000 sq ft of turf grass.

For optimal results apply with a drop spreader or by blending "PerFect Amendment" into top dressing (sand, peat, humus, compost). Water in immediately after application.

Limited Warranty/Disclaimer: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including, but not limited to merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability for default, breach or failure under this law shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

Storage and Disposal: Store in a dry, cool place out of direct sunlight and away from heat sources. Keep from overheating or freezing. Optimum storage temperature is 40°F—85°F.

To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided offer remaining product to a waste disposal facility.

KEEP OUT OF THE REACH OF CHILDREN

First Aid: If in eyes, hold eye open and rinse slowly and gently for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, continue rinsing eye.
