OWL CLUB OF DENVER HISTORY

- On March 24, 1949, The Owl Club of Denver was chartered in the State of Colorado. The Club colors were established as Brown and White and an Owl as the emblem.
- In 1951, the group selected its first ten young ladies from Manual and East High Schools on the basis of scholastic performance and community service rather than socioeconomic status for a debutante ball.
- The Owl Club Debutante Ball was the first such presentation in the City and County of Denver. The first cotillion was held at the Park Hill Country Club.
- In 1952, Mrs. Ernestine Smith, wife of Owl Club member George W. Smith Jr., was asked to choreograph the dance – Waltz of the Bells which continues as part of the debutante cotillion tradition.
- On May 15, 1960, The Owls dedicated their new club house. There were 26 members.
- When the Air Force Academy moved from Lowry Air Force Base to Colorado Springs, the Academy's Director of Social Affairs called Owl Club member, Colonel Hubert 'Hooks' Jones, about the lack of social affairs for Black Cadets. As a result, the Club made the cadets 'Junior Owls' and made the club house available to them to entertain friends while in Denver. For several years thereafter, the cadets assisted the Debutantes during the Debutante Cotillions.
- In 1964 and 1965, the Club formed the Owl Club Youth Incentive, Athletic & Scholarship Association under the direction of Omar Blair to help youngsters in East Denver acquire football skills for high school. Mr. Blair and his committee were able to convince the NBA to play two pre-season games in Denver. The proceeds of the games financed a little league football team called the Owls.
- Owl member, Omar Blair was the first Black president of the Denver School Board. He held the position from 1972 to 1984.
- Owl member, William Kirk established the first Owl Club Scholarship Fund. In 1979, Owl member, Wilbur Hardy chaired the first 'Afternoon with the Owls' at the Country Dinner Playhouse, the proceeds from which went to increase the Owl Club Scholarship Fund.
- In 1999, the Blair-Caldwell African-American Library was envisioned and named after Omar Blair, and Elvin Caldwell, the first black City Council member.
- June 2010, the Lindsey-Flanigan Denver Justice Center was dedicated. James C. Flanigan, an Owl member, was the grandson of a slave. He worked his way through school and accomplished many African-American firsts including: first to graduate from college in his family, first to become a lawyer, first to join the Colorado Bar Association, was Denver's first Deputy District Attorney, the first Municipal Court Judge, and the first to be appointed to the Denver District Court bench.
- Dr. Bernard Gibson was an Owl Member for over 40 years and the first African American Board-Certified Surgeon in the State of Colorado. Dr. Gibson became Chief of Surgery in 1954 at Lowry Air Force Base and was a member of the faculty of the University of Colorado Health Sciences Center in the Department of Surgery, where he served for over 25 years and retired as a Clinical Associate Professor of Surgery.
- Owl member, Robert Shoates, was the first African American Postmaster between Chicago and the West Coast. He was later appointed to the position of Deputy Manager of Revenue for the Motor Vehicle Division, was one of the founders of the Greater Park Hill Sertoma, served as Chairman of the Owl Club Scholarship Fund, and was involved in various other community and business focused interests. In 2012 Bob received the Martin Luther King Jr. Humanitarian Award presented by the Colorado Civil Rights Commission.

The Owl Club of Denver
73rd Annual Debutante Cotillion Ball
3203 Quebec St.
Denver CO 80207

Greetings:

I offer my heartfelt congratulations to the outstanding young ladies who will be presented at the 2024 Debutante Ball.

For the past 73 years, the Owl Club has identified the best and brightest young women in the Denver Metropolitan area. Through training, skill building and scholarship assistance, they have supported and encouraged honorees to reach for excellence. That history of excellence will certainly continue on well into the future with this elite group of remarkable women who are being recognized as 2024 Owl Club Debutante honorees.

To the members of the Owl Club of Denver, supporters, parents and volunteers, thank you for all you do to provide guidance to our youth. Your contributions are what helps shape Denver's bright future and provides an example for our young people to look to in their own lives.

To this year's honorees – I know each of you has made significant achievements in order to be selected, and I encourage you to continue in life with the hard work, dedication and desire for excellence that has brought you here today. Continue to dream big, reach for your goals, and let nothing stand in your way.

Sincerely,

The Owl Club of Denver

Greetings Debutantes, Parents, Family, and Guests:

I welcome you to the 73rd annual presentation of the Owl Club of Denver Cotillion. I extend best wishes and continued success to our outstanding and awesome young ladies as they embark on their journey of college matriculation and professional aspirations. The 2024 Owl Club Debutantes were carefully chosen from a group of nearly 100 candidates for their academic merit, selfless service, and community involvement. Also, I offer sincere thanks and gratitude to the parents of our Debutantes for their love, encouragement, support, and sacrifice over the years.

The history of the Owl Club of Denver is rich and filled with men dedicated to faith, family, and community service. The Club was established in 1941 by several African-American men who spent their Saturday nights playing cards. One of the wives remarked that they were a bunch of night owls. In 1951, the first Debutante presentation occurred based on the Club's desires to acknowledge the achievements of graduating high school African-American young women.

On behalf of the esteemed members of the Owl Club of Denver (including the Owlettes), I am honored to congratulate and salute the young ladies on their exceptional accomplishments and future goals. I pray for God's grace and good providence as our Debutantes strive to create meaningful and fulfilling lives.

Sincerely,

Greetings 2024 Debutantes:

On behalf of the Owl Club of Denver Debutante Committee, I extend my warmest congratulations to each and every one of you on the occasion of the 73rd Cotillion Ball. This is a remarkable milestone, and it is an honor to witness your dedication, perseverance, and grace throughout these challenging times.

Over the last three years, we have collectively faced the trials and tribulations brought upon us by the pandemic. The world has experienced upheavals that have tested our resolve and forced us to adapt to new norms. However, it is during times of adversity that true character is revealed, and I must commend each of you for your unwavering strength and resilience. Despite the challenges, you have managed to stay focused on your goals and continue to pursue excellence.

As Debutantes of the Owl Club, you have showcased unwavering dedication, perseverance, and grace throughout these tumultuous times. The countless hours of preparation, the unwavering commitment to maintaining tradition, and the ability to adapt to virtual settings for rehearsals and meetings have not gone unnoticed. You have demonstrated an exceptional level of maturity and sophistication, which is a testament to your individual growth and personal development.

As we gather to celebrate the 73rd Cotillion Ball, let us remember that this is not just a culmination of a momentous journey, but also the beginning of a new chapter filled with endless possibilities. Embrace this milestone with the knowledge that you have emerged from these challenging times stronger and better than before. The Owl Club of Denver stands united in celebrating your accomplishments, and we are excited to see the bright futures that await each and every one of you.

Once again, congratulations on this extraordinary achievement, and may the memories created during this Cotillion Ball be cherished forever. May you continue to shine brightly and inspire others with your remarkable strength and resilience.

Owl Club of Denver Scholarship Fund, Incorporated

Greetings:

Education has always been one of the major focal points for the Owl Club membership. Recognizing the financial needs of many talented Owl Club Debutantes, club member William Kirk established the first Owl Club Scholarship Fund.

On November 16, 1994 the Owl Club scholarship Fund, Inc. achieved 501c3 organizational status exclusively for educational, charitable, and scientific purposes. The Mission of the scholarship fund is to promote and sustain pride, character, leadership and excellence in young African American high school senior young ladies. Scholarships are awarded to graduating high school senior young ladies who are entering their first year of college or enrolling in institutes of higher learning and are economically disadvantaged. In the past couple of years due an increase in contributions we were able to award a few additional scholarships based on merit.

Currently we utilize the Owl Club Debutantes as our basis for selecting the scholarship recipients each year.

In the past 10 years the fund has proudly supported over 45 graduating seniors entering their 1st year of enrollment in institutes of higher education, with over \$50,000 in support.

The immediate future will require more than that amount to even begin to think about strengthening our traditional standard of recognizing graduating senior young ladies.

You can support our mission through donations sent to 2815 Madison Street, Denver, CO. 80205, on our website: owlclubofdenverscholarshipfund.com. or the P.O. Box below
