

PRO-SOS HAZWOPER TRAINING

OSHA has developed the Hazardous Waste Operations and Emergency Response Standard (HAZWOPER) program to protect workers at hazardous sites. These extensive regulations ensure effective safety and health measures must be followed. All courses comply with OSHA regulations. You can receive our certification with our 24- or 40-hour course, or renew your annual 8-hour refresher HAZWOPER course.

HAZWOPER 8-Hour Refresher Course: \$60.00/student

The 8-hour Refresher course meets the requirements outlined in OSHA 29 CFR 1910.120 for 8 hours of annual refresher training for workers at hazardous waste sites. This course is designed for general site workers who are exposed or potentially exposed to hazardous substances or health hazards.

HAZWOPER 24-Hour Course: \$160.00/student

The 24-hour course covers broad issues pertaining to the hazard recognition at work sites. This course is required for employees visiting an Uncontrolled Hazardous Waste Operation mandated by the Government.

HAZWOPER 40-Hour Course: \$260.00/student

The 40-hour course is designed for workers who are involved in clean-up operations, emergency response, and storage disposal, or treatment of hazardous substances or uncontrolled hazardous waste sites. HAZWOPER 40 is required for employees working on a project consisting of Uncontrolled Hazardous Waste Operation mandated by the Government.

HAZWOPER TRAIN-THE-TRAINER SEMINAR: \$1,600.00/student

The 5-day Train-the-Trainer Seminar will provide thorough training of HAZWOPER and provide the curriculum that can be utilized during the following courses: HAZWOPER 8-hour Refresher Course, 24-Hour HAZWOPER, and 40-Hour HAZWOPER. This course requires a student to have had a relevant academic degrees, completed training courses, and/or work experience as required by 29 CFR 1910.120(e)(5).
