Valley-Wide Recreation and Park District dedicated the Officer Lesley Zerebny First Responders Memorial Wall in October 2022 in honor and memory of the Hemet native who tragically lost her life in the line of duty. The wall commemorates fallen First Responders who lived, served or were born in the District's service area. We invite you to attend as the names of Riverside County Sheriff Department Dep. Michael Haugen (EOW Jan. 5, 1997) and Dep. Brett Harris (EOW May 13, 2023) will be added to the Memorial Wall. A plaque will also be added in memory of Officer Zerebny (EOW Oct. 8, 2016).
