The Winchester-Homeland Town Association

Who are we?

The Winchester-Homeland Town Association is a non-profit, non-partisan and non-sectarian organization.

Our purpose:

The Winchester-Homeland Town Association was organized to preserve, enhance and advance the commercial, industrial, agricultural, recreational, youth, civic, cultural and general interest of the political subdivisions and geographical locations where its members are located.

We endeavor to promote and expand the trade, industry, tourism, cultural pursuits and the public welfare of the covered area so as to expand the income potential of all persons located therein and increase the functional and aesthetic values of the community and to prevent controversies which are detrimental to the expansion and growth of business in the community or to adjust them if they should arise.

Our Committees:

- Land Use
- Flood Control
- Fundraising
- Park & Community Center
