

ATIGS Group partners with Konesens Development to Augment FDI in Cape Verde

DUBAI, UAE [January 26, 2020] – Leading Africa business development company, **ATIGS Group** is proud to announce a partnership with **Konesens Development** to augment Foreign Direct Investment and International Trade in Cape Verde through the 2020 **Africa Trade and Investment Global Summit (ATIGS)** on **October 28 & 29, 2020** in **Dubai, United Arab Emirates**.

ATIGS is a unique business platform to foster relationships and engage efficiently with key influencers and investors from every corner of the world. During a period of two days, Vice presidents, Ministers, Governors, Business Executives, top CEOs, international investors and companies seeking to expand in African markets are gathered in one single place to discuss concrete investment projects and establish strategic partnerships through thematic workshops, presentations, and networking sessions.

In 2018, **ATIGS Group** hosted the premier ATIGS in the United States, on **June 24-26 in Washington DC** at the Ronald Reagan Building and World Trade Center. With more than **2,300 delegates** from 92 countries, **ATIGS USA 2018** was a great success for both the hosting country, sponsors and the participants. High-potential industries and companies were presented to a select audience which led to direct engagement, deal-making, co-investments and the establishment of business partnerships.

The next edition, **ATIGS Dubai 2020** will be a more exclusive high-level gathering for government officials, high-profile African business leaders, project developers, and international investors from Africa, UAE, Asia, Europe, and America. www.atigs2020.com

"We are extremely excited to partner with ATIGS Group on this effort. In addition to ATIGS Dubai 2020 being a wonderful opportunity to showcase and connect investors to the many opportunities for trade and investment in Cabo Verde, ATIGS' inaugural Women's Program Engagement Council (WPEC)—a platform to celebrate, support and empower women entrepreneurs—demonstrates an alignment of values." said, **Harriet Lewis, PhD**, *Founder and President of Konesens Development and Honorary Consul for the Republic of Cabo Verde to the State of Illinois, USA*.

Konesens Development joins efforts with **ATIGS Group** in the capacity of a **Supporting Partner** for **ATIGS Dubai 2020** and is now entitled to participate in the business and affairs of **ATIGS Dubai 2020**. Konesens Development will promote participation from Cape Verdean public and private sector entities in ATIGS Dubai 2020 to further drive FDI and international trade to the country.

"Hosting ATIGS is a huge contribution to the development of Africa, and we are excited to partner with **Konesens Development** to advance the mission and agenda of **ATIGS Dubai 2020**." said, **Bako Ambiana**, *Chairman and CEO of ATIGS Group, Inc.*
