

TITLE : JOB POSTING - APPRENTICE ELECTRICIAN

JOB POSTING - APPRENTICE ELECTRICIAN

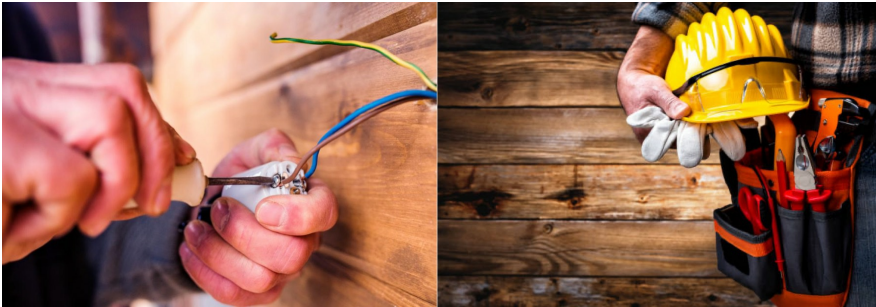

WE ARE LOOKING FOR AN APPRENTICE ELECTRICIAN!

Position Title: Apprentice Electrician

POSITION TYPE: Full Time

- Are you excited about working with a team and learning new skills?
- Are you a self-driven, organized, team-oriented individual looking to become an Apprentice Electrician?
- Do you thrive in a fast-paced, ever-changing environment and have a track record of getting results through planning and execution?
- Would you like to join a rockstar team that values family, honesty, respect and accountability?

If you answered "YES" to the above, read on!

Company Overview

Zenith Electrical Inc is progressive company that partners with clients to meet their electrical needs through modern style and function. We foster a work environment that inspires innovative thinking, strategic management, and consistent high performance. We provide an unwavering commitment to company culture and offer unbeatable service and experience to clients.

This is for you if you are:

- Trustworthy, honest, respectful, accountable and reliable
- Calm, positive, and have a solution-oriented attitude in all situations
- Committed to personal excellence, driven to succeed with a "can do" attitude
- Flexible and adaptable
- Curious, collaborative, passionate and detail-oriented
- A lifelong learner motivated to continue to learn and grow
- A steward of your community and committed to giving back and serving others
- Looking for a life long career, not just a job.

Description of Duties

- Meet scheduling goals and client expectations.
- Arrive on-site daily, prepared, with all necessary equipment, tools and safety gear.
- Abide by all company safety protocols, proactively reporting any issues or potential hazards.

- Assist in the building process according to approved plans, specifications, shop drawings, and applicable building codes while maintaining high-quality standards.
- Develop knowledge of wire sizes, strapping, home run wire pulling, wood frame and hammer drilling, light fixture seismic, finishing electrical and basic construction skills.
- Keep hours up to date in the Customer Relationship Management (CRM) system.
- Follow clear directions to crew members from Journeyman and Project Managers.
- Attend project meetings and proactively identify solutions to support the project.
- Attend professional development and team meetings.
- Communicate with clients professionally and appropriately.
- Support and maintain healthy, happy work environments and corporate culture.
- Maintain the clean, organized and professional presentation of work sites.

Skills & Requirements

- Apprentice Electrician or willing to obtain the certification
- Electrical experience is an asset
- Building experience is an asset
- Clean driver's abstract (as per local jurisdiction)
- Provide proof of personal transportation

Compensation

- Competitive salary
- Two weeks of vacation per year
- Paid statutory holidays
- Medical benefits plan
- Five paid sick days per year
- Paid travel time
- Work with a close-knit team of professionals who enjoy what they do

Application
