

JOB POSTING - JOURNEYMAN ELECTRICIAN

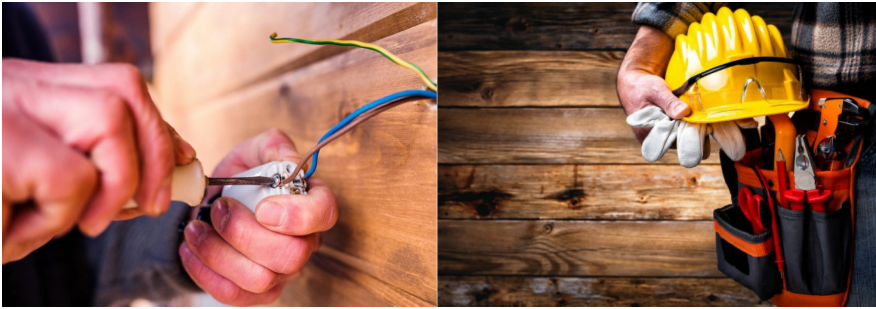

WE ARE LOOKING FOR A JOURNEYMAN ELECTRICIAN!

Position Title: Journeyman Electrician

POSITION TYPE: Full Time

- Are you excited about working for a company that values family time, a good work-life balance with a competitive wage?
- Are you a self-driven, organized, team-oriented Journeyman Electrician?
- Do you thrive in a fast-paced, ever-changing environment and have a track record of getting results through planning and execution?
- Would you like to join a rockstar team that values family, honesty, respect and accountability?

If you answered "YES" to the above, read on!

Company Overview

Zenith Electrical Inc is a progressive company that partners with clients to meet their electrical needs through modern style and function. We foster a work environment that inspires innovative thinking, strategic management, and consistent high performance. We provide an unwavering commitment to company culture and offer unbeatable service and experience to clients.

This is for you if you are:

- Trustworthy, honest, respectful, accountable and reliable
- Calm, positive, and have a solution-oriented attitude in all situations
- Committed to personal excellence, driven to succeed with a "can do" attitude
- Adept at critical thinking and problem-solving
- Flexible and adaptable
- Curious, collaborative, passionate and detail-oriented
- A lifelong learner motivated to continue to learn and grow
- Able to demonstrate leadership in health, safety and environmental protection
- A steward of your community and committed to giving back and serving others

Description of Duties

- Manage a crew of Apprentice Electricians to meet scheduling goals and meet or exceed client expectations.

- Provide clear direction to crew members and subcontractors to ensure project targets are achieved
- Enforce all company safety protocols, proactively reporting any issues or potential hazards.
- Attend and provide input at project meetings with the Project Manager and proactively identify solutions to support projects.
- Assist in the building process according to approved plans, specifications, shop drawings, and applicable building codes while maintaining high-quality standards.
- Maintain communication regarding every project with the Project Manager through daily meetings.
- Update the Customer Relationship Management (CRM) system daily with accurate project details.
- Lead crews in identifying and managing opportunities and risks to achieve the best possible results for scope, quality, and schedule targets.
- Manage receiving, storage and protection of materials.
- Ensure crew members and subcontractors are communicating with clients professionally and appropriately.
- Support and maintain healthy, happy work environments and company culture.
- Maintain the clean, organized and professional presentation of work sites.

Skills & Requirements

- Minimum one year of experience managing crew members on-site
- Journeyman Electrician certification
- Clean driver's abstract (as per local jurisdiction)
- Provide proof of personal transportation

Compensation

- Competitive salary
- Two weeks of vacation per year
- Paid statutory holidays
- Medical benefits plan
- Five paid sick days per year
- Paid travel time
- Work with a close-knit team of professionals who enjoy what they do

Application

If this sounds like you, email your application and resume to info@zenithelectric.ca and let us know why you think you'd be a great fit for our team!
